ISSN: 1539-2937; EISSN: 1539-2929
Established 2003, Published Quarterly

Editor(s)-in-Chief: Pedro Isaías (Universidade Aberta, Portugal)

The Journal of Electronic Commerce in Organizations (JECO) is designed to provide comprehensive coverage and understanding of the social, cultural, organizational, and cognitive impacts of e-commerce technologies and advances on organizations around the world. JECO discusses the influence of electronic commerce on organizational behavior, development, and management in organizations. The secondary objective of this publication is to expand the overall body of knowledge regarding the human aspects of electronic commerce technologies and utilization in modern organizations, assisting researchers and practitioners to devise more effective systems for managing the human side of e-commerce.
