Handbook of Research on Effective Communication in Culturally Diverse Classrooms

Katia González (Wagner College, USA) and Rhoda Frumkin (Wagner College, USA)

Description:

Meaningful interaction between teachers and students is crucial to any educational environment, and particularly so in intercultural settings. When educators take steps to incorporate culturally responsive teaching into their classrooms, student learning is enriched and improved.

The Handbook of Research on Effective Communication in Culturally Diverse Classrooms focuses on the significance of cultural sensitivity toward diverse students and the importance of communication to increase the overall educational experience. Highlighting key concepts relating to curriculum design, teaching models, and critical pedagogies in transcultural classrooms.

Readers:

This book is a pivotal reference source for teachers, teacher educators, and researchers interested in the impact of intercultural communication in learning environments.

Topics Covered:

- Active Citizenship  
- Early Childhood Education  
- Public Library Services  
- Service Learning  
- Study Abroad Programs  
- Teacher Education  
- Vocabulary Improvement
