Virtual Communities and Social Networking (IJVCSN)

ISSN: 1942-9010; EISSN: 1942-9029
Established 2009; Published Quarterly

Editor(s)-in-Chief: Subhasish Dasgupta (George Washington University, USA)

Virtual communities and social networking are changing our social and work environments. The International Journal of Virtual Communities and Social Networking (IJVCSN) provides a forum for researchers, practitioners, and users to study and discuss technical, social and legal issues in this fast changing environment. IJVCSN strives to be an inter-disciplinary journal that draws upon research from different fields such as information systems, computer science, sociology, and psychology.
