Servant Leadership: Research and Practice

Part of the Advances in Human Resources Management and Organizational Development Book Series

Raj Selladurai (Indiana University Northwest, USA) and Shawn Carraher (University of Texas at Dallas, USA)

Leaders represent a necessary part of any organizational structure, and leadership styles can vary greatly between individuals. Servant leadership is one such leadership style which is helping individuals guide and encourage others within their organization.

Servant Leadership: Research and Practice explores the concept of rethinking the leader-subordinate relationship structure through the dissolution of an authoritarian leadership style. This book supports current and future leaders through relevant discussions on methodologies and tools in support of servant leadership, and is designed for use by business managers, executives, scholars, and upper-level students.

Topics Covered:
- Employee Relations
- Organizational Development
- Management Science
- Entrepreneurship
- Cultural Influences on Leadership
- Leadership Strategies
- Employee Loyalty
- Employee Trust
- Servant Leadership

Market: This premier publication is essential for all academic and research library reference collections. It is a crucial tool for academicians, researchers, and practitioners. Ideal for classroom use.
