Quality Assurance in Engineering and Technology Education (IJQAETE)

ISSN: 2155-496X; EISSN: 2155-4978
Established 2011; Published Quarterly

Editor(s)-in-Chief: Arun Patil (Central Queensland University, Australia)

IJQAETE is an international refereed journal focusing on best practices in the management of change and improvement in higher education. This journal adds value to the scholarly literature in engineering and technology education and also provides valuable resources for academics and experts to publish in engineering education journals worldwide. Advancing theory, research, and practices in the field, this journal provides a platform for the international exchange of scholarly and practical insights to improve quality assurance of engineering and technology education.

Topics Covered:

- Accreditation of engineering and technology education
- Assessment practices which impacts quality of engineering and technology education
- Best practices and case studies/examples in quality assurance of engineering and technology education
- Competency-based engineering and technology education
- Evaluations, feedback, and surveys to improve quality of engineering and technology education
- Global mobility of engineering and technology professions
- Graduate attributes, competencies and skills in engineering and technology education
- Impact of internationalization/globalization on quality assurance of engineering and technology education
- Industry-university or industry-institute interaction for the quality improvement in engineering and technology education
- Issues of quality assurance in distance, flexible, and online engineering and technology education
- Outcomes-based engineering and technology education
- Problem-based and project-based engineering and technology education
- Quality assurance aspects affecting engineering and technology education
- Research findings and results which directly or indirectly impact quality assurance of engineering and technology education
- Theoretical analysis of quality and quality initiatives in engineering and technology education

Individual Price:
E-Journal: US $175.00
Print: US $260.00
Print + E-Journal: US $345.00

Institution Price:
Print: US $725.00
Online Access: US $725.00
Print + Online Access: US $1,040.00
Institution Online Access Backfile: US TBD

Prices are subject to change without notification.

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at www.igi-global.com/publish/resources prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
Arun Patil, editor-in-chief-ijqaete@cqu.edu.au
