Innovations in Services Marketing and Management: Strategies for Emerging Economies

Part of the Advances in Marketing, Customer Relationship Management, and E-Services Book Series

Anita Goyal
(Indian Institute of Management (IIM), Lucknow, India)

Modern corporations face a variety of challenges and opportunities in the field of sustainable development. Properly managing assets and maintaining effective relationships with customers are crucial considerations in successful businesses.

Innovations in Services Marketing and Management: Strategies for Emerging Economies presents insights into marketing strategies and tactical perspectives in both large and small enterprises. The chapters in this book explore case studies, contemporary research, and theoretical frameworks in effective business management, providing students, academicians, researchers, and managers with the resources and insight necessary to identify key trends in emerging economies and build the next generation of innovative services.

Topics Covered:

- Customer Relationship Management
- Change Management
- Employee Management
- Healthcare Delivery
- Innovative Marketing Strategies
- Market Orientation
- Organizational Innovations
- Public Service Innovation
- Society and the Consumer
