Knowledge-Based Organizations (IJKBO)

ISSN: 2155-6393; EISSN: 2155-6407
Established 2011; Published Quarterly

Editor(s)-in-Chief: John Wang (Montclair State University, USA)

IJKBO examines current, state-of-the-art research in the areas of decision sciences and business intelligence, and the interactions, linkages, and applications of knowledge-based business with information systems. This journal provides an international forum for practitioners, educators, and researchers to advance the knowledge and practice of all facets of KBO, emphasizing emerging theories, principles, models, processes, and applications to inspire and circulate cutting-edge findings into research, business, and communities.

EDITOR-IN-CHIEF BIO
John Wang is a professor in the Department of Information & Operations Management at Montclair State University, USA. Having received a scholarship award, he came to the USA and completed his PhD in operations research from Temple University. Due to his extraordinary contributions beyond a tenured full professor, Dr. Wang has been honored with a special range adjustment in 2006. He has published over 100 refereed papers and seven books. He has also developed several computer software programs based on his research findings.

SUBMISSION INFORMATION
Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal’s guidelines for manuscript submissions at www.igi-global.com/publish/resources prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

All submissions and inquiries should be directed to the attention of:
