59

78
Chapter 7
Cognitive Effects of Web Page Design ................................................................. 90
   Louis H. Berry, University of Pittsburgh, USA

Chapter 8
Distance Education in the Online World: Implications for Higher Education ..... 110
   Stewart Marshall, Central Queensland University, Australia
   Shirley Gregor, Australian National University, Australia

Chapter 9
The Consequences of e-Learning ....................................................................... 125
   Henry H. Emurian, University of Maryland-Baltimore County, USA

Chapter 10
Student Perceptions of Virtual Education: An Exploratory Study ...................... 132
   Anil Kumar, Poonam Kumar, and Suvojit Choton Basu
   University of Wisconsin-Whitewater, USA

Chapter 11
Online Student Practice Quizzes and a Database Application to
Generate Them .................................................................................................... 142
   Gary B. Randolph, Dewey A. Swanson, Dennis O. Owen and Jeffrey A. Griffin
   Purdue University, USA

Chapter 12
Classroom Component of an Online Learning Community: Case Study of an MBA Program at the University of St. Gallen .............................................................. 150
   Julia Gerhard, Peter Mayr and Sabine Seufert
   University of St. Gallen, Switzerland

Chapter 13
Using Lotus Learning Space to Enhance Student Learning of Data
Communications ................................................................................................. 163
   Michael W. Dixon, Murdoch University, Australia
   Johan M. Karlsson, Lund Institute of Technology, Sweden
   Tanya J. McGill, Murdoch University, Australia

Chapter 14
Development of a Distance Education Internet-Based Foundation Course for the MBA Program ............................................................................................................... 172
   James E. LaBarre, University of Wisconsin-Eau Claire, USA
   E. Vance Wilson, University of Wisconsin-Milwaukee, USA

Chapter 15
Web-Based Learning: Is It Working? A Comparison of Student Performance and Achievement in Web-Based Courses and Their In-Classroom Counterparts ..... 179
   Kathryn A. Marold, Gwynne Larsen and Abel Moreno
   Metropolitan State College of Denver, USA
Chapter 16
Audio and Video Streaming in Online Learning .................................................. 190
P. G. Muraleedharan, XStream Software India (P) Ltd., India

Chapter 17
Relevant Aspects for Test Delivery Systems Evaluation ................................... 203
Salvatore Valenti, Alessandro Cucchiarelli and Maurizio Panti
University of Ancona, Italy

Chapter 18
An Overview of Agent Technology and Its Application to Subject
Management ....................................................................................................... 217
Paul Darbyshire and Glenn Lowry, Victoria University of Technology, Australia

Chapter 19
A Comprehensive Approach to Teaching Visual Basic Programming .............. 228
Yun Wang, Mercy College, USA

Chapter 20
What Do Good Designers Know That We Don’t? ......................................... 235
Morgan Jennings, Metropolitan State College of Denver, USA

Chapter 21
Learning with Multimedia Cases in the Information Systems Area .............. 242
Rikke Orngreen, Copenhagen Business School, Denmark
Paola Bielli, SDA Bocconi, Italy

Chapter 22
Who Benefits from WWW Presentations in the Basics of Informatics? ........ 252
Pekka Makkonen, University of Jyväskylä

Chapter 23
Towards an Automatic Massive Course Generation System ...................... 264
Ahmed H. Kandil, Ahmed El-Bialy and Khaled Wahba
Cairo University, Egypt

Chapter 24
A Case Study of One-to-One Video-Conferencing Education over the
Internet ............................................................................................................... 275
Hock C. Chan, Bernard C. Y. Tan and Wei-Ping Tan
National University of Singapore, Singapore

About the Editor ................................................................................................. 300
