Table of Contents

Foreword .............................................................................................................................................. xiv

Preface ................................................................................................................................................ xvii

Acknowledgment ................................................................................................................................ xxvi

Chapter 1
Enhancing Linguistic and Intercultural Competencies through the Use of Social Network Sites and Google Earth ................................................................................................................................. 1
   Ellen Yeh, Columbia College Chicago, USA
   Greg Kessler, Ohio University, USA

Chapter 2
Developing Global Sensibilities through a Technology-Enabled Active Learning Anthropology Curriculum ..................................................................................................................................................... 23
   Joshua J. Wells, Indiana University – South Bend, USA
   James M. VanderVeen, Indiana University – South Bend, USA

Chapter 3
Teaching Pre-Service Teachers to Repurpose and Innovate Using Online and Mobile Technology Applications ........................................................................................................................................... 46
   Gregory Shepherd, Kean University, USA

Chapter 4
Driving into the Gap: Decision-Making for Infusing Technology in Schools ...................................... 63
   Robyn Seglem, Illinois State University, USA

Chapter 5
Moving Beyond a Focus on Delivery Modes to Teaching Pedagogy ..................................................... 86
   Judi Simmons Estes, Park University, USA

Chapter 6
Teaching and Learning in the Global Classroom: Strategies for Designing Thinking Curriculum and Online Collaborative Learning Projects .................................................................................... 102
   Deniz Palak, North Carolina Central University, USA
   Melda Yildiz, Kean University, USA
Chapter 7
Understanding Students’ Instructional Delivery Preferences and Other Classroom Logistics........ 118
    Jospeter M. Mbuba, Indiana University-Purdue University – Fort Wayne, USA
    Florence Mugambi, Indiana University-Purdue University – Fort Wayne, USA

Chapter 8
International Students and Their Technology Proficiency......................................................... 135
    Jacob Manu, University of North Dakota, USA
    Emmanuel Mensah, University of North Dakota, USA

Chapter 9
Promoting Globalization: Cross-Cultural Teaching and 21st Century Learning Experiences ........ 147
    Helen Brantley, Northern Illinois University, USA
    Michael Henry, Reavis High School, USA
    Sarah Sabo, McHenry County College, USA
    Natalie Young, Northern Illinois University, USA

Chapter 10
Embracing Complexity and Innovation in an Era of Globalization: Lessons from Diversity
Conceptualizations and Multicultural Teacher Preparation.......................................................... 166
    Laura B. Liu, Beijing Normal University, China
    Lottie L. Baker, U.S. Department of State, USA
    Natalie B. Milman, The George Washington University, USA

Chapter 11
Developing Global Literacy Skills of K-12 Pre-Service Teachers of English Language Learners
(ELLs) through Service-Learning.................................................................................................. 188
    Cate Crosby, University of Cincinnati, USA

Chapter 12
Global Literacy Skills and Collaborative Strategies for Enhancing Professional Development for
Teachers and Educators.................................................................................................................. 205
    Philliph Masila Mutisya, North Carolina Central University, USA
    Jerono P. Rotich, North Carolina A&T State University, USA

Chapter 13
Mentoring Pre-Service Teachers at a Historically Black University: Global Perspectives .......... 217
    Helen Brantley, Northern Illinois University, USA
    Cassandra Sligh Conway, South Carolina State University, USA

Chapter 14
Turning Competitions into Global Collaboration through Educational Robotics: Case of
RoboCupJunior ............................................................................................................................... 233
    Amy Eguchi, Bloomfield College, USA
Chapter 15
Promoting Cognitive Skill among Engineering Undergraduates with Technological Software

Nur Maisarah Binti Shahril Khuzairi, University Tenaga Nasional, Malaysia
Manjit Singh Sidhu, University Tenaga Nasional, Malaysia

Chapter 16
Global Citizenship: Technology and the 21st Century Manager

Steven J. Bigatti, Daewoo International, USA
Emily Sirk, Indiana University-Purdue University – Indianapolis, USA
Michael M. Bigatti, Avaya, Inc., USA
Silvia M. Bigatti, Indiana University-Purdue University – Indianapolis, USA
