# Table of Contents

Foreword ........................................................................................................................................... xx

Preface ................................................................................................................................................ xxii

## Section 1
Issues, Challenges, and Trends in Quality Online K-12 Education

**Chapter 1**
Online Learning in Illinois High Schools: The Voices of Principals! .............................................. 1  
*Anthony G. Picciano, City University of New York (CUNY), USA*  
*Jeff Seaman, Babson College, USA*  
*Scott L. Day, University of Illinois – Springfield, USA*

**Chapter 2**
Challenges, Opportunities, and Trends in Quality K-12 Online Environments................................. 19  
*Marius Boboc, Cleveland State University, USA*

**Chapter 3**
Meeting the Demand for Online Education: A Study of a State-Run Program Designed to Train Virtual K-12 Teachers .................................................................................................................. 45  
*Jayme Nixon Linton, Lenoir-Rhyne University, USA*  
*Wayne Journell, University of North Carolina at Greensboro, USA*

**Chapter 4**
Unbounded Reading: Why Online Learning for K-12 Students Should Be a Literacy Issue ............ 66  
*Dixie D. Massey, University of Washington, USA*

## Section 2
K-12 Online Course Development and Instructional Design

**Chapter 5**
Practical Guidelines for Creating Online Courses in K-12 Education................................................. 86  
*Wayne Journell, University of North Carolina at Greensboro, USA*
Chapter 6
Synchronous Text Chat (EduTexting) as an Online Learning Tool ........................................... 108
Tina L. Heafner, University of North Carolina at Charlotte, USA
Michelle Plaisance, Greensboro College, USA

Chapter 7
Learning Theory and Online Learning in K-12 Education: Instructional Models and Implications ................................................................. 126
Alex Kumi-Yeboah, University at Albany – SUNY, USA

Section 3
Instructional Models in K-12 Online Teacher Education

Chapter 8
Effective Online Learning Begins with Effective Teacher Preparation ........................................ 148
Laura Corbin Frazier, Mount St. Mary’s University, USA
Barbara Martin Palmer, Mount St. Mary’s University, USA

Chapter 9
The Ever-Evolving Educator: Examining K-12 Online Teachers in the United States .................. 169
Jean Larson, Arizona State University, USA
Leanna Archambault, Arizona State University, USA

Chapter 10
Online Learning in K-College Classrooms: Students and Teachers Establish Social, Cognitive, and Teaching Presences in Digital Spaces ................................................................. 191
S. Michael Putman, University of North Carolina at Charlotte, USA
Brian Kissel, University of North Carolina at Charlotte, USA
Jean Vintinner, University of North Carolina at Charlotte, USA
Amy J. Good, University of North Carolina at Charlotte, USA

Chapter 11
Establishing a Mentoring Relationship between Pre-Service and Mentor Teachers through Windows into Teaching and Learning ................................................................. 212
Teresa Petty, University of North Carolina at Charlotte, USA
Tina L. Heafner, University of North Carolina at Charlotte, USA
Abiola A. Farinde, University of Pittsburgh, USA
Michelle Plaisance, Greensboro College, USA

Section 4
Transitioning from Face-to-Face to Virtual K-12 Learning Environments: Emerging Technologies and Promising Pedagogical Practices

Chapter 12
Providing Elementary and Middle School Science Teachers with Content and Pedagogical Professional Development in an Online Environment ................................................... 228
Mary V. Mawn, SUNY Empire State College, USA
Kathleen S. Davis, University of Massachusetts – Amherst, USA
Chapter 13
Challenges and Opportunities in the First Year of a 1:1 iPad Initiative in a High-Poverty, Highly Diverse Urban High School ................................................................. 250
Gayle Y. Thieman, Portland State University, USA

Chapter 14
Teaching History in the Digital Age ................................................................. 280
Scott M. Waring, University of Central Florida, USA

Chapter 15
3D Multi-User Virtual Environments in Science Education: Potential and Challenges ................. 302
Yufeng Qian, Northeastern University, USA

Chapter 16
Online Discussion Boards in the Constructivist Classroom ........................................ 325
Lauren Lunsford, Belmont University, USA
Bonnie Smith Whitehouse, Belmont University, USA
Jason F. Lovvorn, Belmont University, USA

Section 5
Examining Issues of Diversity in Online K-12 Teaching and Learning

Chapter 17
Best Pedagogical Practices for Acknowledging and Accommodating Diversity in Online Courses........................................................................................................ 342
Christina Nash, University at Albany, USA

Chapter 18
The Integration of Culturally Relevant Pedagogy and Project-Based Learning in a Blended Environment........................................................................................................ 359
Daniel Kelvin Bullock, North Carolina State University, USA

Chapter 19
High School Teachers’ Gender-Oriented Perceptions of Technology Integration .................. 385
Tina L. Heafner, University of North Carolina at Charlotte, USA
Eric Groce, Appalachian State University, USA
Elizabeth Bellows, Appalachian State University, USA
Heather Coffey, University of North Carolina at Charlotte, USA
Mette Evelyn Bjerre, University of North Carolina at Charlotte, USA
