# Table of Contents

Preface ................................................................................................................................................ xiv

Acknowledgment ................................................................................................................................ xviii

Section 1  
Concepts and Approaches

Chapter 1  
Emerging Application of Fuzzy Expert System in Medical Domain ........................................... 1  
A. V. Senthil Kumar, Hindusthan College of Arts and Science, India  
M. Kalpana, Tamil Nadu Agricultural University, India

Chapter 2  
Rule-Based Systems for Medical Diagnosis ...................................................................................... 21  
V. S. Giridhar Akula, Methodist College of Engineering and Technology, India

Chapter 3  
Fuzzy-Based Medical Image Processing ............................................................................................ 45  
G. R. Sinha, Shri Shankaracharya Technical Campus, India

Chapter 4  
Implementation of Fuzzy Technology in Complicated Medical Diagnostics and Further Decision ... 62  
A. B. Bhattacharya, University of Kalyani, India  
Arkajit Bhattacharya, M. G. M. Medical College and Hospital, India

Section 2  
Innovations and Technologies

Chapter 5  
Hybrid Approach for Analyzing Acute Spots of Clinical Speech Data Using Fuzzy Inference  
System ................................................................................................................................................. 93  
C. R. Bharathi, VelTech University, India  
V. Shanthi, St. Joseph’s College of Engineering, India
Chapter 6
Knowledge Representation Using Fuzzy XML Rules in Web-Based Expert System for Medical Diagnosis

Priti Srinivas Sajja, Sardar Patel University, India
138

Chapter 7
Fuzzy Logic for Breast Cancer Diagnosis Using Medical Thermogram Images

Surekha Kamath, Manipur Institute of Technology, India
168

Chapter 8
Application of Fuzzy Expert System in Medical Treatment

Kajal Ghosal, Chronic Disease and Oncological Homeopathic Consultant, India
Partha Haldar, Jadavpur University, India
Goutam Sutradhar, Jadavpur University, India
200

Section 3
Applications and Cases

Chapter 9
Fuzzy Logic-Based Intelligent Control System for Active Ankle Foot Orthosis

M. Kanthi, Manipal University, India
248

Chapter 10
Fuzzy Expert System to Diagnose Diabetes Using S Weights for S Fuzzy Assessment

A. V. Senthil Kumar, Hindusthan College of Arts and Science, India
M. Kalpana, Tamil Nadu Agricultural University, India
280

Chapter 11
Developing and Validating Fuzzy-Based Trust Measures for Online Medical Diagnosis and Symptoms Analysis

Shruti Kohli, Birla Institute of Technology, India
302

Chapter 12
Diagnosis of Angina Using Neuro-Fuzzy Technique

S. Vijayachitra, Kongu Engineering College, India
333

Compilation of References
