Acknowledgment

We would like to thank all the people involved in the development and review process of the book, especially those who served on the EAB in an excellent, very useful, and inspirational manner. Many of the authors of the chapters contributed to the review process for chapters written by other authors. Thanks go to all those who provided constructive and comprehensive reviews. We would like to thank all the authors for their contributions.

We would like to express special thanks to the third group of researchers who took part in the review process by answering our personal call for help: Prof. Stephen Aikins from University of South Florida, Prof. Sanford Borins, University of Toronto, Dominic Chalmers from University of Strathclyde, UK, Prof. Wichian Chutimaskul from King Mongut’s University of Technology, Prof. Radovan Ćekanac from Military Medical Academy Belgrade, Prof. Luitzen De Boer from Norwegian Institute of Science and Technologies, Dr. Steve Drew from Griffith University, Dr. Francisco Flores, University of Huelva, Marian Harbach from Hannover University, Prof. Borisav Jošanov from Novi Sad Business School, Prof. Zoran Milošević from University of Niš, Prof. Andrzej Romanowski from Lodz University of Technology, and Athanasios Vasilakos from Kuwait University.

Special thanks go to Kayla Wolfe, Jan Travers, and Allison McGinniss at IGI Global for their great support. Special thanks also go to the publishing team at IGI Global, whose contributions throughout the whole process from the initial idea to the final publication have been invaluable.
