It is absolutely true that no book is completely the work of the editors and co-editors whose names are shown in the list on this title page. I wish to acknowledge my sincere thanks to the main editor, Nilanjan Ray, for his continuous effort and hard work to update, complete, and give proper shape to this book. My special thanks to all my family members and well-wishers who have encouraged me always to write something and contribute to the future development of the tourism industry.

—Dillip Kumar Das

When my parents heard that their son was acting as a co-editor for a book to be published by IGI Global, USA, it was hard for them to believe. Therefore, I acknowledge, first and foremost, my parents, Sri Kartik Kumar Chaudhuri and Smt. Bijay Lakshmi Chaudhuri, for their unending inspiration and standing beside me throughout my career and while editing this book. Efforts of my sister, Smt. Debamitra Chaudhuri, and my brother, Avishek Chaudhuri, are not ordinary; their unabated interest and support for months played a winning role in my work. I would really like to thank my all co–editors, Mr. Nilanjan Ray, Dr. Dillip Kumar Das, and Mr. Arindam Ghosh, for providing me immense support to complete this project smoothly. Lastly, I am indebted to Mr. Nilanjan Ray; he made the train reach its destination, and made me a co-editor.

—Somnath Chaudhuri

At the outset, I would like to express my heartfelt thanks to all my co-editors who have stretched their helping hands and supported me through every step of this project. At the same time, I am thankful to all my teachers who played an important role in my life and shall always stand as inspiration. It would be unjustified if I did not mention the name of my beloved wife, Sarmila De, for providing me necessary encouragement and moral support, besides sparing me from the domestic responsibilities.
