# Table of Contents

**Foreword** ............................................................................................................................................ xvi

**Preface** ............................................................................................................................................... xviii

**Acknowledgment** ............................................................................................................................ xxvi

**Section 1**

**Behavioural and Psychological Symptoms in Dementia and Use of Assistive Technologies**

**Chapter 1**

Behavioural and Psychological Symptoms in Dementia (BPSD)........................................................................ 1

_Nikhila Deshpande, Pennine Care NHS Foundation Trust, UK_

_Babu Nayar, Pennine Care NHS Foundation Trust, UK_

**Chapter 2**

Carers of People with Dementia and the Use of Assistive Technologies ...................................................... 12

_Sarmishtha Bhattacharyya, University of Chester, UK_

_Susan Mary Benbow, University of Chester, UK_

**Chapter 3**

Intelligently Adaptive Mobile Interfaces for Older People .............................................................................. 36

_Sheila McCarthy, Ulster University, UK_

_Heather Sayers, Ulster University, UK_

_Paul McKeivit, Ulster University, UK_

_Mike McTear, Ulster University, UK_

_Kieran Coyle, Ulster University, UK_

**Chapter 4**

Emerging Technologies for Dementia Patient Monitoring ............................................................................. 62

_Tarik Qassem, The University of Warwick, UK_
Section 2

Dementia Patient Monitoring Systems

Chapter 5
Employing Opportunistic Networks in Dementia Patient Monitoring ............................................ 106
Radu-Ioan Ciobanu, University Politehnica of Bucharest, Romania
Ciprian Dobre, University Politehnica of Bucharest, Romania

Chapter 6
An Autonomous Intelligent System for the Private Outdoors Monitoring of People with Mild
Cognitive Impairments......................................................................................................................... 137
Antoni Martínez-Ballesté, Universitat Rovira i Virgili, Spain
Frederic Borràs Budesca, Universitat Rovira i Virgili, Spain
Agustí Solanas, Universitat Rovira i Virgili, Spain

Chapter 7
Service Evolution in Clouds for Dementia Patient Monitoring System Usability Enhancement...... 153
Zhe Wang, Edinburgh Napier University, UK
Guojian Cheng, Xi’an Shiyou University, China

Chapter 8
NoSQL Technologies for Real Time (Patient) Monitoring ................................................................. 183
Ciprian Dobre, University Politehnica of Bucharest, Romania
Fatos Xhafa, Universitat Politècnica de Catalunya, Spain

Chapter 9
Cloud-Based Monitoring for Patients with Dementia ................................................................. 211
Philip Moore, Lanzhou University, China
Fatos Xhafa, Universitat Politècnica de Catalunya, Spain
Mak Sharma, Birmingham City University, UK

Section 3

Intelligent and Adaptive eHealth Systems

Chapter 10
Fostering Independent Living in the Aging Population through Proactive Paging ...................... 239
Mauro Migliardi, University of Padova, Italy
Cristiana Degano, Gruppo SIGLA S.r.l., Italy
Marco Tettamanti, Ospedale San Raffaele, Italy

Chapter 11
Using a Smartphone as a Track and Fall Detector: An Intelligent Support System for People with
Dementia........................................................................................................................................ 272
Chia-Yin Ko, TungHai University, Taiwan
Fang-Yie Leu, TungHai University, Taiwan
I-Tsen Lin, TungHai University, Taiwan
Chapter 12
Pervasive Data Capturing and Analysis for Patients with Alzheimer’s Disease

Kam-Yiu Lam, City University of Hong Kong, Hong Kong
Nelson Wai-Hung Tsang, City University of Hong Kong, Hong Kong
Joseph Kee-Yin Ng, Hong Kong Baptist University, Hong Kong
Jiantao Wang, Hong Kong Baptist University, Hong Kong
Calvin Ho Chuen Kam, Hong Kong Baptist University, Hong Kong
Song Han, University of Connecticut, USA

Chapter 13
An Internet of Things Governance Architecture with Applications in Healthcare

Adrian Copie, West University of Timișoara, Romania & Institute e-Austria Timișoara, Romania
Bogdan Manațe, West University of Timișoara, Romania
Victor Ion Munteanu, West University of Timișoara, Romania & Institute e-Austria Timișoara, Romania
Teodor-Florin Fortiş, West University of Timișoara, Romania & Institute e-Austria Timișoara, Romania
