The authors are full of gratitude to our co-workers and students for their persistent support to our research. Our sincere thank goes to Prof. Zhaoqi Bian of Tsinghua University, Beijing, Prof. Jingyu Yang of Najing University of Science and Technology, Najing, China, and Prof. Pengfei Shi of Shanghai Jiaotong University, Shanghai for their invaluable advice throughout this research. We would like to thank our team members, Dr. Wangmeng Zuo, Prof. Jian Yang, Prof. Xiaoyuan Jing, Dr. Guangming Lu, Prof. Kuanquan Wang, Dr. Xiangqian Wu, Dr. Jingqi Yan, and Prof. Jie Zhou for their hard work and unstinting support. In fact, this book is the collaborative result of their many contributions. We would also like to express our gratitude to our research fellows, Feng Yue, Laura Liu, Dr. Ajay Kumar, Dr. Lei Zhang, Dr. Hongzhi Zhang, Bo Huang, Denis Guo, and Qijun Zhao for their invaluable help and support. Thanks are also due to Martin Kyle, for his help in the preparation of this book. The financial support from the HKSAR Government, the central fund from the Hong Kong Polytechnic University, the NFSC funds (Nos. 60332010, 60602038, and 60402018), and the 863 fund (No. 2006AA01Z193) in China are of course also greatly appreciated. We owe a debt of thanks to Jan Travers and Kristin Roth of IGI Global, for their valuable suggestions and keeping us on schedule for the preparation and publishing of the book.
