Acknowledgment .................................................................................................................................................. xv

Section 1
Engineering Practices and Computerized Methods Implications in Resource Management: Environmental Issues Modeling

Chapter 1
Environmental Management Ecosystem vs. Engineering System Theory Approach Modeling and Analysis: Risk Management System as a Managerial Tool ................................................................. 1
   Ivelina Yordanova Zlateva, Independent Researcher, Bulgaria
   Violin Stoyanov Raykov, Institute of Oceanology, Bulgaria
   Nikola Nikolov, Technical University of Varna, Bulgaria
   Mariela Ivanova Alexandrova, Technical University of Varna, Bulgaria

Chapter 2
Bootstrap Evaluation of Expert Panel Opinion in Case Studies Solved by REPOMP ........................................ 48
   Natalia D. Nikolova, Nikola Vaptsarov Naval Academy, Bulgaria, & Australian Maritime College, University of Tasmania, Australia
   Snejana Ivanova, Nikola Vaptsarov Naval Academy, Bulgaria
   Gergana Georgieva, Nikola Vaptsarov Naval Academy, Bulgaria
   Ivan Armenski, Technical University – Gabrovo, Bulgaria
   Kiril I. Tenekedjiev, Nikola Vaptsarov Naval Academy, Bulgaria

Chapter 3
Management and Modeling of Waste Water Treatment Systems ................................................................. 77
   Kiril Lisichkov, SS. Cyril and Methodius University, Macedonia
   Stefan Kuvendzhev, SS. Cyril and Methodius University, Macedonia
   Mirko Marinkovski, SS. Cyril and Methodius University, Macedonia

Section 2
Important Fish Stock Indicators, Stock Assessment Methodologies, and Policy in Use

Chapter 4
Fish Stock Indicators as Measure for Sustainability: Black Sea Sprat Case ............................................. 118
   Violin S. Raykov, Institute of Oceanology, Bulgaria
   Ivelina Zlateva, Independent Researcher, Bulgaria
Chapter 5
Fishery Indicators for Policy Use in the Mediterranean and Black Sea ............................................ 183
  Dimitrios Damalas, European Commission, Joint Research Centre, Italy
  Vassiliki Vassilopoulou, Hellenic Centre for Marine Research, Greece
  Maria Pantazi, Hellenic Centre for Marine Research, Greece

Chapter 6
Stock Assessment of Anchovy (Engraulis encrasicolus L) in Northern Black Sea and Sea of Azov .............................................................. 209
  Alexander Chashchin, YugNIRO, Ukraine
  Vladyslav Alekseevich Shlyakhov, YugNIRO, Ukraine
  Vladimir E. Dubovik, YugNIRO, Ukraine
  Sergey Negoda, YugNIRO, Ukraine

Chapter 7
Challenging Scientific Inertia in Fisheries Management............................................................ 244
  Menakhem Ben-Yami, Fisheries Adviser, Israel

Chapter 8
The Assessment of the Exploitable Fish Reserves (Stock Assessment) ........................................ 266
  Rigerta Ali Sadikaj, University of Tirana, Albania

Section 3
Fishery and Marine Policy, Regional Management Bodies, Statistical Data Analyses, and Marine Spatial Planning: Concepts and Approaches

Chapter 9
The Role of the Black Sea Commission in the Sustainable Management of the Marine Living Resources ........................................................................................................... 306
  Iryna Makarenko, Permanent Secretariat, Commission on the Protection of the Black Sea Against Pollution, Turkey

Chapter 10
Overall Impact of Local and Recreational Fisheries: Approaching the Case in the NE Atlantic and Mediterranean ........................................................................................................ 327
  Joao Pedro Barreiros, Centre for Ecology, Evolution and Environmental Changes/Azorean Biodiversity Group, University of the Azores, Portugal
Chapter 11
Maritime Spatial Planning Concepts and Approaches: Focusing on Mediterranean Examples of Conflicts and Synergies Arising by Fishery Activities ................................................................. 348
   Theodora Papatheochari, University of Thessaly, Greece
   Vassiliki Vassilopoulou, Hellenic Centre for Marine Research, Greece
   Athina Kokkali, Institute of Marine Biological Resources and Inland Waters, Greece
   Fabio Grati, Institute of Marine Sciences (ISMAR), Italy & National Research Council (CNR), Italy
   Harry Coccossis, University of Thessaly, Greece
   Gianna Fabi, National Research Council (CNR), Italy & Institute of Marine Sciences (ISMAR), Italy
   Luca Bolognini, National Research Council (CNR), Italy & Institute of Marine Sciences (ISMAR), Italy

Chapter 12
Time Series Database Analysis on Fishery in Greece ......................................................... 371
   George Tegos, ATEITH, Greece
   Kolyo Zlatanov Onkov, Agricultural University, Bulgaria

Chapter 13
Heavy Metal Levels in Sediment of the Turkish Black Sea Coast ..................................... 399
   Levent Bat, Sinop University, Turkey
   Ebru Yesim Özkam, Ege University, Turkey

Compilation of References ........................................................................................................... 420

About the Contributors .................................................................................................................. 446
