Acknowledgment

We would like to express sincere thanks to Allah Subhanahu Wa-ta’ala that by His grace and bounty we were able to author this book. Last but not least, we would like to acknowledge our families as well.

The second author of this book i.e., Mubashir Husain Rehmani, would like to say special thanks to the first author i.e., Prof. Dr. Muhammad Amin, for including his name as second author. In fact, the second author is deeply indebted to Prof. Muhammad Amin, as the second author did not do any major contribution in this book except proof reading of the book, correcting grammar and typos, and writing chapter number 10.
