Acknowledgment

Mauricio Garita:

I thank my wife Sonia for the patience during the construction of this book. Without her this would have been impossible.

Jose Godinez:

To Indigo.

The Editors:

We want to thank and acknowledge the work of each of the authors that contributed to the book. We thank their dedication, their patience and the ideas that led this book to be a pillar of knowledge in Latin America. We thank our editorial board that revised each work and that dedicate time by exchanging comments for a better and more accurate book.
