Acknowledgment

The editors would like to acknowledge the contribution and assistance of all those who have been involved in the development of this book, including the authors, reviewers and IGI Global team. Without their support, this book would not have become a reality.

The editors would like to thank each of the chapters’ authors for contributing their time and expertise in shaping this book. This topic is very current and we are excited to have authors from around the globe contribute to this discussion in this publication.

In addition, the editors wish to acknowledge the important contributions of the reviewers, Ros Cameron, Anthony Camilleri, Merilyn Childs, Dianne Conrad, Cath Fraser, Mike Keppell, Shirley Reushle, Regine Wagner, and Christine Wihak for donating their time and effort to improve the quality and coherence of the chapters.

Lastly, the critical work by Merilyn Childs in establishing the focus and initiating the book’s development is recognised along with the administrative support provided by Natasha Hard, Charlotte Karp and Hazel Jones.
