Table of Contents

Preface............................................................................................................................................................................ xv

Chapter 1
Overview of Clinical Decision Support Systems in Healthcare .................................................................................. 1
   Jane Dominique Moon, University of Melbourne, Australia
   Mary Galea, University of Melbourne, Australia

Chapter 2
Online Spatial HIV/AIDS Surveillance and Monitoring System for Nigeria ......................................................... 28
   Peter Adebayo Idowu, Obafemi Awolowo University, Nigeria

Chapter 3
Pain Assessment through Facial Expression ..................................................................................................................... 59
   Sanjay Kumar Singh, Indian Institute of Technology (BHU), India
   V. Rastogi, Institute of Medical Sciences (BHU), India
   S. K. Singh, Indian Institute of Technology (BHU), India

Chapter 4
Developing SMS Health Messages for Pregnant Indigenous Australians Using Persuasive Technology .................. 81
   Reece George, University of Newcastle, Australia

Chapter 5
A Predictive Analytic Model for Maternal Morbidity ..................................................................................................... 108
   Edgardo Palza, École de technologie supérieure, Canada
   Jorge Sanchez, Universidad Peruana Unión, Peru
   Guillermo Mamani, Universidad Peruana Unión, Peru
   Percy Pacora, Hospital Nacional Docente Madre Niño “San Bartolomé”, Peru
   Alain Abran, École de Technologie Supérieure, Canada
   Jane Moon, University of Melbourne, Australia

Chapter 6
St. Stephen’s Hospital Hervey Bay: Study of Developing a Digital Hospital .............................................................. 127
   Constance A. Harmsen, UnitingCare Health, Australia
   Richard N. Royle, UnitingCare Health, Australia
Chapter 7
Developing a National Registry for Hemochromatosis .......................................................... 154
  Indu Singh, Griffith University, Australia
  Janelle Guerrero, Griffith University, Australia
  Michael J. Simmonds, Griffith University, Australia

Chapter 8
Integration of Automation and Clinical Decision Support Systems ........................................ 165
  Ronnel Nallas, Austin Health, Australia
  Jane Moon, Austin Health, Australia

Chapter 9
From the Margins to the Mainstream: Clinical Costing for Clinical Improvement ..................... 186
  Ronald Ma, Austin Health, Australia

Chapter 10
Clinical Decision Support: Right Approaches Ensure Improved Clinical, Cost, and Efficiency Gains ................................................................................................................................. 209
  Steven Shaha, Center for Policy and Public Administration, USA

Chapter 11
Leverage Healthcare Data Assets with Predictive Analytics The Example of an Australian Private Hospital ........................................................................................................................................... 237
  Nilmini Wickramasinghe, RMIT University, Australia
  Hoda Moghimi, Epworth HealthCare, Australia & RMIT University, Australia
  Jonathan L. Schaffer, Cleveland Clinic, USA

Chapter 12
Mining Electronic Health Records to Guide and Support Clinical Decision Support Systems ....... 252
  Jitendra Jonnagaddala, University of New South Wales, Australia
  Hong-Jie Dai, National Taitung University, Taiwan
  Pradeep Ray, University of New South Wales, Australia
  Siaw-Teng Liaw, University of New South Wales, Australia

Chapter 13
A Clinical Decision Support System: Ontology-Driven Approach for Effective Emergency Management .......................................................................................................................... 270
  Jalel Akaichi, King Khalid University, Saudi Arabia
  Linda Mhadhbi, The University of Tunis, Tunisia

Chapter 14
Data-Driven and Practice-Based Evidence: Design and Development of Efficient and Effective Clinical Decision Support System ................................................................................................................... 295
  Hamzah Oso, Queensland University of Technology, Australia
  Tony Sahama, Queensland University of Technology, Australia
Chapter 15
Strategic Approach towards Clinical Information Security ........................................... 329
   Sangseo Park, The University of Melbourne, Australia
   Jane Moon, University of Melbourne, Australia

Compilation of References ......................................................................................... 360

About the Contributors ............................................................................................ 417
