# Table of Contents

**Foreword** ........................................................................................................................................... xvi  

**Preface** ................................................................................................................................................ xvii  

**Acknowledgment** .............................................................................................................................. xxiv  

**Chapter 1**  
Heavy Metal Pollution: A Global Pollutant of Rising Concern.............................................................. 1  
   *Ashita Sharma, Guru Nanak Dev University, India*  
   *Mandeep Kaur, Guru Nanak Dev University, India*  
   *Jatinder Kaur Katmoria, Guru Nanak Dev University, India*  
   *Avinash Kaur Nagpal, Guru Nanak Dev University, India*  

**Chapter 2**  
Heavy Metal Pollution and its Management: Bioremediation of Heavy Metal.......................................... 27  
   *Ashok K. Rathoure, Vardan Environet Guargaon, India*  

**Chapter 3**  
Biosorption of Dye Molecules.................................................................................................................. 51  
   *Aisha Zaman, Jadavpur University, India*  
   *Papita Das, Jadavpur University, India*  
   *Priya Banerjee, University of Calcutta, India*  

**Chapter 4**  
Microbial Response against Metal Toxicity.............................................................................................. 75  
   *Jatindra Nath Bhakta, University of Kalyani, India*  

**Chapter 5**  
Application of Genomics and Proteomics in Bioremediation ................................................................. 97  
   *Amol Uttam Hivrale, Shivaji University, India*  
   *Pankaj K. Pawar, Shivaji University, India*  
   *Niraj R. Rane, Shivaji University, India*  
   *Sanjay P. Govindwar, Shivaji University, India*
Chapter 6
Genetically Engineered Microorganisms for Bioremediation Processes: GEMs for Bioremediation

Stephen Rathinaraj Benjamin, Universidade Federal de Goiás, Brazil
Fabio de Lima, Universidade Federal de Mato Grosso do Sul, Brazil
Ashok K. Rathoure, Vardan Environet Guargaon, India

Chapter 7
Novel Bioremediation Methods in Waste Management: Novel Bioremediation Methods

Charu Gupta, Amity University, India
Dhan Prakash, Amity University, India

Chapter 8
Effective Management of Agro-Industrial Residues as Composting in Mushroom Industry and Utilization of Spent Mushroom Substrate for Bioremediation

Rajender Singh, Directorate of Mushroom Research (ICAR) Solan, India
Mamta Chauhan, Jaypee University of Information and Technology, India

Chapter 9
Bioremediation Approaches for Recalcitrant Pollutants: Potentiality, Successes and Limitation

Bikram Basak, National Institute of Technology Durgapur, India
Apurba Dey, National Institute of Technology Durgapur, India

Chapter 10
Biodegradation of Phenol: Mechanisms and Applications

Vinod K. Dhatwalia, Uttaranchal University, India
Manisha Nanda, Dolphin (PG) Institute of Biomedical and Natural Sciences, India

Chapter 11
Phyto-Remediation: Using Plants to Clean Up Soils: Phyto-Remediation

Swati Jagdale, MAEER’s Maharashtra Institute of Pharmacy, India
Aniruddha Chabukswar, MAEER’s Maharashtra Institute of Pharmacy, India

Chapter 12
A Prospective Study on Emerging Role of Phytoremediation by Endophytic Microorganisms

Amita Verma, Sam Higginbottom Institute of Agriculture, Technology and Sciences (Deemed University), India
Parjanya Kumar Shukla, Sam Higginbottom Institute of Agriculture, Technology and Sciences (Deemed University), India

Chapter 13
Advances in Bioremediation for Removal of Toxic Dye from Different Streams of Wastewater

Priya Banerjee, University of Calcutta, India
Aniruddha Mukhopadhyay, University of Calcutta, India
Papita Das, Jadavpur University, India
Chapter 14
Decolorization of Direct Blue: 14 Dye by Thermoalkalophilic Aerobic Bacillus sp. .......................... 279
  Shankara S., Government College for Women, Chintamani, India
  Kotresha Dupadahalli, KSPL Degree College, India
  Vijayakumar M. H., Gulbarga University, India
  Gaddad S. M., Gulbarga University, India

Chapter 15
Fighting Ecomafias: The Role of Biotech Networks in Achieving Sustainability ............................... 295
  Nadia Di Paola, University of Naples Federico II, Italy
  Rosanna Spanò, University of Naples Federico II, Italy
  Adele Caldarelli, University of Naples Federico II, Italy
  Roberto Vona, University of Naples Federico II, Italy

Chapter 16
Effective Waste Water Treatment and its Management ........................................................................... 312
  Sakthivel Lakshmana Prabu, Anna University, BIT Campus, Tiruchirappalli, India
  TNK Suriyaprakash, Al Shifa College of Pharmacy, India
  Ruckmani Kandasamy, Anna University, BIT Campus, Tiruchirappalli, India
  Thirumurugan Rathinasabapathy, International Medical University (IMU), Malaysia

Compilation of References ......................................................................................................................... 335
