We would like to thank our generous colleagues for their helpful and insightful ideas, reviews, and feedback of the manuscript. They not only critiqued and offered valuable suggestions, but also recommended additional resources to help inform our work and expand our own knowledge base on the topic. Also, we want to acknowledge IGI Global for the many important suggestions along the way and guidance throughout the process. Finally, the editors would like to acknowledge all who contributed their expertise of virtual reality in education to the development of this volume: Ellen Yeh, Guofang Wan, Celebi Uluyol, Sami Sahin, Yvonne Pigatt, James Braman, Andras Hassan, Timothy Jung, Reza Ghanbarzadeh, Amir Mossein, Anita Cassard, Brian Sloboda, Amit Goel, William Rivera, Peter Kincaid, Michele Montgomery, Waldemar Karwowski, Neal Finkelstein, Barbara Ludlow, Melissa Hartley, Rebecca Lynne Patterson, D.
