Acknowledgment

In many ways this volume has been a long time coming. Words cannot fathom the depth of gratitude that my heart is filled with to be associated with this prestigious publication House, IGI Global, USA. I am deeply indebted to them for their encouragement and support.

This publication is a concerted effort of the all the chapters contributors from various parts of the world for their efforts in collecting and verifying the information included in the publication all are well respected or rising stars in the discipline.

I acknowledge my gratitude to Prof (Dr.) Nisha Dubey, Vice Chancellor, Barkatullah University, Bhopal for her guidance in selecting the chapters for book.

I would also like to thank Mr. Anchit Bhandari & Miss Urvashi Jaswani, Research Scholars, Centre for Corporate Law Studies, Institute of Law Nirma University, Ahmedabad for their assistance in editing.

I am extremely grateful to the library staff of Gujarat National law University & Institute of Law, Nirma University for providing valuable intellectual resources, which was of great help in writing the introductory chapters & editing the book.

I would also like to thank Mr Raj Sandhu, Asst, Prof of law, Jammu University, Jammu & Kashmir, India, Miss Shail Shah, Advovate, Gujarat High Court, Marianne Ojo, North-West University, Filiz Eryilmaz, Uludağ Üniversitesi İİBF İktisat Bölümü, Narayan Paudel, Kathmandu University, Tanya Nayyar, Associate, AMSS, Mumbai, Stuart Locke, Waikato & Mr. Anchit Bhandari & Miss Urvashi Jaswani, Research Scholars, Centre for Corporate Law Studies, Institute of Law Nirma University, Ahmedabad for reviewing the chapters and providing valuable inputs.

I thank my parents, for their faith and encouragement which allowed me to be as ambitious as I wanted. It was under their watchful eye that I gained so much drive and an ability to tackle challenges head on. Also, I thank parents of my co-editor Dr. Anjani for provided us with unending encouragement and support.

Amit K. Kashyap  
Nirma University, India
