Foreword ............................................................................................................................................ xvi

Preface ............................................................................................................................................... xviii

Acknowledgment .............................................................................................................................. xxiv

**Section 1**

**Research Paradigms**

**Chapter 1**
The Nature of Research Methodologies: Terms and Usage within Quantitative, Qualitative, and Mixed Methods ............................................................................................................................................. 1

*Ben Tran, Alliant International University, USA*

**Chapter 2**
Moving from Tension to Texture: The Paradigmatic Roots of Mixed Methods Research .............. 28

*Preston B. Cosgrove, Cardinal Stritch University, USA*

*Peter M. Jonas, Cardinal Stritch University, USA*

**Chapter 3**
Mixed Method Research: A Concept .................................................................................................. 39

*Aroop Mukherjee, Universiti Putra Malaysia, Malaysia*

*Nitty Hirawaty Kamarulzaman, Universiti Putra Malaysia, Malaysia*

**Section 2**

**Designing a Mixed Methods Research Study**

**Chapter 4**
It is All in the Design: Creating the Foundations of a Mixed Methods Research Study ............... 66

*Mette L. Baran, Cardinal Stritch University, USA*

**Chapter 5**
Designs of Mixed Method Research ................................................................................................ 79

*Amir Manzoor, Bahria University, Pakistan*
Section 3
Sampling in Research

Chapter 6
Sampling in Research .......................................................................................................................... 107
Never Mujere, University of Zimbabwe, Zimbabwe

Section 4
Data Collection Using Innovative Tools

Chapter 7
Analyzing Qualitative Data: Visualizing Lived Experiences through Poems and Photography .... 123
Carolyn N. Stevenson, Kaplan University, USA

Section 5
Analyzing Data

Chapter 8
Analyzing Quantitative Data ............................................................................................................. 149
Sema A. Kalaian, Eastern Michigan University, USA
Rafa Kasim, Indiana Tech University, USA

Chapter 9
Analyzing Quantitative Data in Mixed Methods Research for Improved Scientific Study .......... 165
Christopher Boachie, Central University College, Ghana

Chapter 10
How Marketers Conduct Mixed Methods Research: Incorporating the Exploratory Sequential
Design with the Hierarchy of Effects Model ....................................................................................... 187
Roger Baran, DePaul University, USA

Chapter 11
Making Sense of All the Words: Analyzing Qualitative Data .............................................................. 197
Janice E. Jones, Cardinal Stritch University, USA
A. J. Metz, University of Utah, USA
Section 6
Data Analysis: Examples of Research Studies using Mixed Methods

Chapter 12
Examining Online Communication: A Method for the Quantitative Analysis of Qualitative Data

Michael G. Hughes, HumRRO, USA
Jennifer A. Griffith, Alfred University, USA
Cristina Byrne, University of Oklahoma, USA
Darin S. Nei, Hogan Assessment Systems, USA
Lauren Harkrider Beechly, IBM, USA
Thomas A. Zeni, East Central University, USA
Amanda Shipman, Kenexa, USA
Shane Connelly, University of Oklahoma, USA
Michael D. Mumford, University of Oklahoma, USA

Chapter 13

Randa Suleiman, Cardinal Stritch University, USA
Clavon Byrd, Cardinal Stritch University, USA

Chapter 14
Morphological Ontology Design Engineering: A Methodology to Model Ill-Structured Problems

Joey Jansen van Vuuren, Council for Scientific and Industrial Research, South Africa
Louise Leenen, Council for Scientific and Industrial Research, South Africa
Marthie M. Grobler, Council for Scientific and Industrial Research, South Africa
Ka Fai Peter Chan, Council for Scientific and Industrial Research, South Africa
Zubeida C. Khan, Council for Scientific and Industrial Research, South Africa

Section 7
Conducting Research from Start to Finish

Chapter 15
Creating and Implementing a Mixed Method Research Study

Mette L. Baran, Cardinal Stritch University, USA
Janice E. Jones, Cardinal Stritch University, USA
