Acknowledgment

As this book is a collection of cases the editor must first thank the contributing authors and the organizations they represent and discuss. Additionally, chapters were peer reviewed and the comments used to strengthen them. In this way, the reviewers contributed greatly to the overall quality of this book. The reviewers include Mark Lee, Bernie Luskin, Catherine McLoughlin, Ramesh Sharma and Linda Venis. Finally, the work of the editorial staff at IGI Global was crucial in first supporting the concept for this book and its completion.
