Acknowledgment

We would like to thank our family for the support they provided us and, in particular, we must acknowledge our children João Pedro, Maria Eduarda and João Guilherme (Milton’s children) and Ana Beatriz Araujo Gomes e Rafael Pires Gomes (Alex’s children). We would like to thank too our parents Benedito and Maria José (Milton’s parents), Marcos Batista and Otaciana Maria (Rafael’s parents) and Aguinalda Maria Gomes e Luiz Gomes da Rocha (Alex’s parents) by their love and dedication. We would also like to thank our collaborators of the Laboratory of Software Engineering, who have supported us with their comments for this book.
