Acknowledgment

The editor wishes to thank to all the anonymous referees for their precious help in providing constructive comments and reviews and for precious help in improvement of the work. He gratefully acknowledges to Prof. Istudor Nicolae (Vice-recturer, Bucharest University of Economic Studies), to Prof. Ignacio De Los Ríos Carmenado, (Director, Cátedra Bancos de Alimentos, Universidad Politécnica de Madrid, Spain) and to PhD Jonel Subić, (Director of The Institute of Economics Agriculture, Serbia) for all the insightful comments, ideas and criticism in drafting the book.

The editor further wishes to thank to PhD Dorel Dusmanescu for checking the manuscripts for originality, to Ms. Alexandra Alecu for her precious help in the process of drafting and editing the manuscripts and also to the entire IGI Global staff involved in making possible this book.
