Table of Contents

Preface .................................................................................................................................................. xiii

Chapter 1
‘Green’ Supply Chain Management: Resource Allocation Strategies for Sustainable Operations ........ 1
  Padmanabha Aital, Symbiosis Institute of Operations Management, India
  Prince Vijai, ICFAI Business School, India

Chapter 2
An Empirical Study on Factors Leading to Employee Retention for Manufacturing Industry in India ...................................................................................................................................................... 24
  Rupali Singh, Motilal Nehru National Institute of Technology, India
  Anil Sankhi, Constantia Parikh Packaging, India

Chapter 3
Enablers of Sustainable Manufacturing Overview, Framework and Further Research Directions ..... 52
  Shibin K. T., Symbiosis International University, India

Chapter 4
Environmental Accounting for Industrial Growth and Sustainable Development in India An Overview and Theoretical Framework .................................................................................................................................................. 74
  Archana Singh, Symbiosis International University, India
  Nehajoan Panackal, Symbiosis International University, India
  Bhama Venkataramani, Symbiosis International University, India

Chapter 5
Identifying Green Supply Chain Management Enablers in South African Mining Industry using Ecological Modernization Theory Approach .............................................................................................................. 95
  Surajit Bag, Tega Industries South Africa Pty Ltd, South Africa

Chapter 6
Modeling the Soft Skills of Green Procurement Professionals using Interpretive Structural Modeling Approach ..................................................................................................................................................... 120
  Surajit Bag, Tega Industries South Africa Pty Ltd, South Africa

Chapter 7
Role of Sustainable Procurement in Sustainable Manufacturing Operations An Indian Insight ....... 132
  V.G. Venkatesh, Symbiosis Institute of Business Management, India
  Sunil Luthra, Government Polytechnic, Jhajjar, India
Chapter 8
Supply Chain Social Sustainability and Manufacturing .................................................. 149
   Mani V, Indian Institute of Technology, India
   Rajat Agrawal, Indian Institute of Technology, India
   Vinay Sharma, Indian Institute of Technology, India
   Kavitha T.N, Government Polytechnic, India

Chapter 9
Sustainable Business Development by Responding to Climate Change: A Case of the Tata Group .................................................................................................................................................. 176
   Sujata Mukherjee, SVKM’s NMIMS, India
   Arunavo Mukerjee, Tata Clean Tech Capital Ltd., India

Chapter 10
Sustainable Development and the Integration of Normative Standards .......................... 192
   Eduardo Guilherme Satolo, UNESP - Univ Estadual Paulista, Brazil
   Alexandre Tadeu Simon, UNIMEP - Universidade Metodista de Piracicaba, Brazil
   Sergio Silva Braga Jr, UNESP – Univ Estadual Paulista, Brazil

Chapter 11
Sustainable Non Traditional Manufacturing Processes: A Case with Electrochemical Machining (ECM) .................................................................................................................................................... 227
   Abhishek Tiwari, Birla Institute of Technology, India
   Kaushik Kumar, Birla Institute of Technology, India
   Supriyo Roy, Birla Institute of Technology, India

Chapter 12
Sustainable Supply Chain: An Institutional Perspective .................................................. 272
   Susheela Girisaballa, Symbiosis International University, India
   Sonali Bhattacharya, Symbiosis International University, India

Chapter 13
Sustainable Supply Chain Management: Literature Review ......................................... 303
   Shirish C. Jeble, SIU, India

Chapter 14
The Role of Sustainable Performance Measurement System in Global Supply Chain ........ 331
   Kijpokin Kasemsap, Suan Sunandha Rajabhat University, Thailand

Compilation of References ............................................................................................... 349

About the Contributors ..................................................................................................... 412
