The editors would like to acknowledge the help of all the people involved in this project. Without their great contributions, this book would not have been completed. First, the editors wish to thank all the authors for their high quality contributions and the reviewers for their valuable advices in improving the quality of the book. Second, the editors acknowledge the comprehensive support of the editorial advisory board members—Akinori Abe (Chiba University, Chiba, Japan), Akihito Kanai (Hosei University, Tokyo, Japan), Yoji Kawamura (Kinki University, Osaka, Japan), Yukiko Ogawa (Hosei University, Tokyo, Japan), Koichi Takeuchi (Okayama University, Okayama, Japan), and Akira Utsumi (The University of Electro-Communications, Tokyo, Japan). Finally, the editors thank IGI Global, particularly Ms. Jan Travers, for their assistance in the entire process.
