Acknowledgment

By the grace of Allah, we have completed this book. We would like to acknowledge the help and support of all the people involved in this book. We would also like to express our thanks to Editorial Advisory Board members, reviewers, and the authors who contributed to this book.

Our sincere gratitude goes to the chapter’s authors who contributed their time and expertise to this book. Moreover, we thank to all EAB members, especially Prof. Steven A. Demurjian, without their support, this would be very difficult. The editors wish to acknowledge the resources and support provided by the administration and colleagues at Computer Science department in COMSATS Institute of Information Technology.

At the end, we would also like to thank our families for their patience and understanding during the many long hours that we remain busy in completing the book.
