Table of Contents

Preface...............................................................................................................................xv

Acknowledgment ..........................................................................................................xxiv

Section 1
Access Control for Collaborative Environments

Chapter 1
A Survey on Access Control Techniques for Social Networks................................. 1
   Yousra Asim, COMSATS Institute of Information Technology, Pakistan
   Ahmad Kamran Malik, COMSATS Institute of Information Technology,
   Pakistan

Chapter 2
Identification and Adaptive Trust Negotiation in Interconnected Systems.......... 33
   Eugene Sanzi, University of Connecticut, USA
   Steven A. Demurjian, University of Connecticut, USA

Chapter 3
Intelligent Multi-Domain RBAC Model................................................................. 66
   Rubina Ghazal, COMSATS Institute of Information Technology,
   Pakistan
   Ahmad Kamran Malik, COMSATS, Institute of Information Technology,
   Pakistan
   Nauman Qadeer, Federal Urdu University (FUUAST) Islamabad,
   Pakistan
   Mansoor Ahmed, COMSATS, Institute of Information Technology,
   Pakistan
Chapter 4
Leveraging UML for Access Control Engineering in a Collaboration on Duty and Adaptive Workflow Model that Extends NIST RBAC...96
Solomon Berhe, University of Connecticut, USA
Steven A. Demurjian, University of Connecticut, USA
Jaime Pavlich-Mariscal, Pontificia Universidad Javeriana, Colombia
Rishi Kanth Saripalle, University of Connecticut, USA
Alberto De la Rosa Algarín, University of Connecticut, USA

Chapter 5
Optimistic Access Control for Collaborative Applications...125
Asma Cherif, Umm Al-Qura University, Saudi Arabia
Abdessamad Imine, Lorraine University, France & Inria Nancy Grand-Est, France

Section 2
Mobile, Cloud, and Network Security

Chapter 6
Towards User Authentication Requirements for Mobile Computing ...160
Yaira K. Rivera Sánchez, University of Connecticut, USA
Steven A. Demurjian, University of Connecticut, USA

Chapter 7
Usage-Based Access Control for Cloud Applications ...197
Yumna Ghazi, National University of Sciences and Technology, Pakistan
Rahat Masood, University of New South Wales (UNSW), Australia
Muhammad Awais Shibli, VisionIT, USA
Sara Khurshid, National University of Sciences and Technology, Pakistan

Chapter 8
Managing Access in Cloud Service Chains Using Role-Level Agreements ...224
Khurrum Mustafa Abbasi, Bahria University, Pakistan
Irfan ul Haq, Pakistan Institute of Engineering and Applied Sciences, Pakistan
Ahmad Kamran Malik, COMSATS Institute of Information Technology, Pakistan
Basit Raza, COMSATS Institute of Information Technology, Pakistan
Adeel Anjum, COMSATS Institute of Information Technology, Pakistan
Chapter 9
Network Intrusion Detection Using Multi-Objective Ensemble Classifiers...... 248
Arif Jamal Malik, Foundation University Islamabad, Pakistan
Muhammad Haneef, Foundation University Islamabad, Pakistan

Chapter 10
ICMetric-Based Secure Communication............................................................ 263
Shahzaib Tahir, National University of Sciences and Technology
(NUST), Pakistan
Imran Rashid, National University of Sciences and Technology (NUST),
Pakistan
