Table of Contents

Foreword .................................................................................................................................................. xv
Preface ..................................................................................................................................................... xvii
Acknowledgment .................................................................................................................................... xxvi

Section 1
Teaching Collaboration: Team Building and the Andragogy of Teamwork in Design

Chapter 1
Teaching Teamwork in Design: A Framework for Understanding Effectiveness in Student Teams ..... 1
Richard Tucker, Deakin University, Australia

Chapter 2
Using a Value Cycle Framework to Analyze Teamwork Capability as a Learning Outcome in
Interior Design Studio Courses.............................................................................................................. 28
Paola Gavilanez, Kwantlen Polytechnic University, Canada
Amber Ortlieb, Kwantlen Polytechnic University, Canada
Thomas Carey, Kwantlen Polytechnic University, Canada

Chapter 3
Cognitive Challenges for Teamwork in Design .................................................................................... 55
Ju Hyun Lee, The University of Newcastle, Australia
Michael J Ostwald, The University of Newcastle, Australia
Ning Gu, University of South Australia, Australia

Chapter 4
Prejudicial Evaluation: Bias in Self-and-Peer-Assessments of Teamwork Contributions to Design ... 76
Richard Tucker, Deakin University, Australia

Chapter 5
Conflict Resolution in Student Teams: An Exploration in the Context of Design Education .......... 105
Neda Abbasi, Deakin University, Australia
Anthony Mills, Deakin University, Australia
Richard Tucker, Deakin University, Australia
Section 2
Evaluating Collaboration: Teaching Case Studies

Chapter 6
Perceptions of Collaboration Amongst Novice Design Students .............................................. 126
Philip Crowther, Queensland University of Technology, Australia
Andrew Scott, Queensland University of Technology, Australia
Tom Allen, Queensland University of Technology, Australia

Chapter 7
An Evaluation of Group Work in First-Year Engineering Design Education ............................. 145
Stuart Palmer, Deakin University, Australia
Wayne Hall, Griffith University, Australia

Chapter 8
Levering Critical Collaboration: The First Year Interdisciplinary Design Experience ............... 169
Alexandra Lara Crosby, University of Technology Sydney, Australia
Adam C. Morgan, University of Technology Sydney, Australia

Chapter 9
Informal Networked Learning as Teamwork in Design Studio CmyView: Using Mobile Digital
Technologies to Connect with Student’s Everyday Experiences .................................................. 188
Cristina Garduño Freeman, Deakin University, Australia

Chapter 10
Learning Design Through Facilitating Collaborative Design: Incorporating Service Learning into
a First Year Undergraduate Design Degree Course .................................................................. 209
Oliver Bown, UNSW Art & Design, Australia
Philip Gough, Design Lab, University of Sydney, Australia
Martin Tomitsch, Design Lab, University of Sydney, Australia

Chapter 11
Intercultural Dialogue through Design (iDiDe): A Model of Intercultural Collaboration and
Student Engagement .................................................................................................................. 230
Susan Ang, Deakin University, Australia

Chapter 12
Collaborative Spectra: Mille Feuille Design Workshop - Teaching Individuals Design through
Group Work .................................................................................................................................. 257
Ammon Beyerle, Here Studio, Australia & The University of Melbourne, Australia
Greg Missingham, The University of Melbourne, Australia
Chapter 13
Embracing Non-Traditional Partnerships in Design Education: Breaking Down Myths and Stereotypes .......................................................... 283
  Traci Rose Rider, North Carolina State University, USA
  Elizabeth Bowen, North Carolina State University, USA

Section 3
Preparing for Collaboration: Learning for Teamwork in Professional Practice

Chapter 14
Group Work and the Externally-Oriented Capstone: Opening Students to the Challenges of Professional Practice ................................................................. 305
  Nicole Wragg, Swinburne University of Technology, Australia
  Carolyn Barnes, Swinburne University of Technology, Australia

Chapter 15
Identity Transformation through Collaboration: Narratives of ‘Becoming an Architect’ .................. 332
  James Thompson, University of Washington, USA

Compilation of References ........................................................................................................... 354

About the Contributors .................................................................................................................. 402

Index ............................................................................................................................................. 408
