*Amelia Walter, University of New South Wales, Australia & South West Sydney Local Health District, Australia*

**Chapter 3**
Asians and the Myth of the Model Minority in Higher Education: A Psychocultural Reality in the 21st Century ........................................................................................................................................ 38

*Ronn Johnson, University of San Diego, USA*
*Ji Youn Cindy Kim, University of Iowa, USA*
*JoJo Yanki Lee, University of San Diego, USA*

**Chapter 4**
A Research Framework for Investigating the Benefits of Technology in Treatment and Management of ADHD in Tertiary Students ........................................................................................................ 60

*Bader Binhadyan, RMIT University, Australia*
*Bill Davey, RMIT University, Australia*

**Chapter 5**
Mental Illness, Youth, and Lessons from Residential Treatment Centers ........................................ 78

*Krisa Allison, University of Phoenix, USA*
*Chris Allison, Southwest Baptist University, USA*
Chapter 6
Happiness or Addiction: An Example of Taiwanese College Students’ Use of Facebook............ 104
   Sen-Chi Yu, National Taichung University of Education, Taiwan

Chapter 7
Development Challenges of a Full Integrated App in Higher Education ........................................ 117
   Anabela Sousa Pereira, University of Aveiro, Portugal
   António A. Moreira, University of Aveiro, Portugal
   Paulo Chaló, University of Aveiro, Portugal
   Luís Sancho, University of Aveiro, Portugal
   Ana Varela, University of Aveiro, Portugal
   Carla Oliveira, University of Aveiro, Portugal

Chapter 8
“Rural-Specific” Types of Childhood Trauma in Rural Communities ........................................... 140
   Roberto Jose Velasquez, New Mexico State University, USA
   Yadira Juarez, San Diego State University, USA

Chapter 9
The Games People Play: Exploring Digital Addiction within the Context of the Gamification of ICT Project Design for Public Sector Administration Reform ...................................................... 166
   Shefali Virkar, University of Oxford, UK

Chapter 10
Using a Multi-Tiered System of Support: A Proposed Model for Incoming Students at a HBCU .... 195
   Kimberly M. Daniel, Bowie State University, USA
   Cheryl H. Blackman, Bowie State University, USA
   Katrina S. Kardiasmenos, Bowie State University, USA
   Ometha O. Lewis-Jack, Bowie State University, USA

Section 2
Technologies and Applications

Chapter 11
Smartphone Use, Addiction, Narcissism, and Personality: A Mixed Methods Investigation............ 212
   Claire Pearson, University of Derby, UK
   Zaheer Hussain, University of Derby, UK

Chapter 12
Online Prevention and Early Intervention in the Field of Psychiatry Using Gamification in Internet Interventions: Practical Experience with a Program Targeting Eating Disorders in Czech Republic ........................................................................................................... 230
   Jana Hanusová, Charles University, Czech Republic
   Tereza Štěpánková, Charles University, Czech Republic
   Jana Tomanová, Charles University, Czech Republic
   Simona Dočkalová, Charles University, Czech Republic
   Hana Papežová, Charles University, Czech Republic
Chapter 13
Augmenting Online Mental Health Support Services ................................................................. 264
   Rafael A. Calvo, The University of Sydney, Australia
   M. Sazzad Hussain, The University of Sydney, Australia & Health and Biosecurity, CSIRO, Australia
   David Milne, The University of Sydney, Australia
   Kjartan Nordbo, The University of Sydney, Australia
   Ian Hickie, The University of Sydney, Australia
   P. Danckwerts, ReachOut, Australia

Chapter 14
Tools for eMental-Health: A Coping Processor for Adaptive and Interactive Mobile Systems for Stress Management ................................................................. 286
   Manolya Kavakli, Macquarie University, Australia
   Hedieh Ranjbartabar, Macquarie University, Australia
   Amir Maddah, Macquarie University, Australia
   Kiumars Ranjbartabar, Macquarie University, Australia

Chapter 15
An Investigation of the Role of Using IS/IT in the Delivery of Treatments for ADHD in University Students ................................................................. 320
   Bader Binhadyan, RMIT University, Australia & Ministry of Education, Saudi Arabia
   Nilmini Wickramasinghe, Deakin University & Epworth HealthCare, Melbourne, Australia

Chapter 16
Comparing Online Personality of Americans and Chinese ........................................................ 339
   Xingyun Liu, Institute of Psychology, Chinese Academy of Sciences, China
   Tingshao Zhu, Institute of Psychology, Chinese Academy of Sciences, China

Chapter 17
Assessment of Childhood Trauma in Rural Settings ................................................................. 352
   Apryl A. Alexander, Auburn University, USA
   Megan E. Harrelson, Auburn University, USA

Chapter 18
Workforce Development in Behavioral Healthcare and the Increased Use of Technology: Is It Working or Not? Are We Asking the Right Questions? ................................................................. 367
   Susanne Ingle, Kuprevich Consulting, USA
   Carol L. Kuprevich, Kuprevich Consulting, USA

Section 3
Organizational Implications and Critical Issues

Chapter 19
Concerns for Individuals with Intellectual Disability in India .................................................. 388
