Table of Contents

Preface ................................................................................................................................. xvii
Acknowledgment ................................................................................................................... xxiv

Section 1
Quality Standards and Institutional Program Planning

Chapter 1
Garnering Faculty Buy-In to Improve Online Program Quality: Implementation of the Online Learning Consortium Scorecard to Encourage Shared Governance .......................................................... 1
   Terry Pollard, University of Mississippi Medical Center, USA

Chapter 2
Exploring Chinese Faculty Perceptions of Quality Standards for Online Education ............... 20
   Dave Dai, Michigan State University, USA
   John M. Dirks, Michigan State University, USA

Chapter 3
Improving U.S. College Graduation Rates with Quality Online and Blended Degree Completion Programs: Lessons Learned .................................................................................................................. 40
   Lisa Braverman, Fairleigh Dickinson University, USA

Chapter 4
From 0 to 60: The Case Study of a School of Education’s Successful “Online Start-Up” .......... 60
   Raffaella Borasi, University of Rochester Warner School of Education, USA
   Eric Fredericksen, University of Rochester Warner School of Education, USA
   Dave Miller, University of Rochester Warner School of Education, USA

Chapter 5
Moving e-Learning Forward: A Study of the Impact of the Continual Changing Landscape of e-Learning ........................................................................................................................................ 84
   Deb Gearhart, Ohio University, USA
Section 2
Student Support

Chapter 6
A New Model of Online Student Service in the Digital Age: Increasing Retention Based on Service Satisfaction................................................................. 103
Sallie A. Reissman, Wilmington University, USA

Chapter 7
DELES Analysis of E-Learning Environments: Satisfaction Guaranteed? ........................................ 128
Hunter Keeney, Lamar University, USA
Kaye Shelton, Lamar University, USA
Diane Mason, Lamar University, USA
J. Kenneth Young, Lamar University, USA

Chapter 8
The Relationship between Individual Student Attributes and Online Course Completion .............. 151
Wendy Mays Elmore, Trinity Valley Community College, USA
J. Kenneth Young, Lamar University, USA
Sandra Harris, Lamar University, USA
Diane Mason, Lamar University, USA

Section 3
Faculty Support

Chapter 9
Exploration of Faculty’s Perceptions on Technology Change: Implications for Faculty Preparedness to Teach Online Courses ...................................................................................... 175
Veronica Outlaw, University of South Carolina – Aiken, USA
Margaret L. Rice, The University of Alabama, USA
Vivian H. Wright, The University of Alabama, USA

Chapter 10
Arranging and Rearranging Practice in Digital Spaces: Professional Learning amongst Teacher Educators............................................................................................................................ 191
Laurette S. M. Bristol, Catholic College of Mandeville, Jamaica
Merilyn Childs, Macquarie University, Australia

Chapter 11
Ensuring Quality: The Faculty Role in Online Higher Education...................................................... 210
Arthur Richardson Smith, Southwestern College, USA

Chapter 12
Ready-to-Teach Online Courses: Understanding Faculty Roles and Attitudes................................. 232
Pamela K. Quinn, Dallas County Community College District, USA
Diane Mason, Lamar University, USA
Kaye Shelton, Lamar University, USA
Chapter 13
A Framework to Assess Appropriate Interaction to Meet Accreditation Quality Guidelines .......... 253
    Anymir Orellana, Nova Southeastern University, USA

Section 4
e-Learning Course Development

Chapter 14
Improving the Quality of Online Learning Environments: The Value of an Online Specific Design Model...................................................................................................................................................... 278
    Komar Parveen Khan, Capella, USA

Chapter 15
Building Quality Online Courses: Online Course Development Partnership and Model.............. 301
    Veronica Outlaw, University of South Carolina – Aiken, USA
    Margaret L. Rice, The University of Alabama, USA
    Vivian H. Wright, The University of Alabama, USA

Chapter 16
E-Learning and the Disciplines: Lessons from Applied Linguistics ............................................. 324
    Mark Kellison Warford, Buffalo State College (SUNY), USA

Chapter 17
Designing Blended Learning Strategies for Rich Content............................................................ 341
    Dionysios Politis, Aristotle University of Thessaloniki, Greece
    Miltiadis Tsalighopoulos, Aristotle University of Thessaloniki, Greece
    Georgios Kyriafinis, AHEPA University Hospital, Greece

Compilation of References ............................................................................................................... 357

About the Contributors .................................................................................................................... 400
