Acknowledgment

We are very thankful to everyone who supported us for this book and gave their guidance to complete our thesis work effectively and moreover on time.

We are equally grateful to Dr. Yoshikazu Nishikawa (President, Research Institute for Applied Sciences; Professor Emeritus, Kyoto University and Osaka Institute of Technology), who contribute a foreword to this book.

We also express our deep sense of gratitude to the workbook editor, Miss Janine Haughton (Development Editor, IGI Global) and IGI staff, thanks for taking the time to show us how to complete this book.

Finally, this book was partly supported by a Grant-in-Aid for Scientific Research (A) 25249026, (B) 25303013 and (B) 16K18052, Japan and by the AA Science Platform Program of the Japan Society for the Promotion of Science.
