Acknowledgment

The editors of the volume would like to acknowledge the valuable help of all the people involved in the process of developing the volume of *Digital Entrepreneurship and Global Innovation*. We appreciate the contribution of the authors and of the reviewers. First, we would like to thank all the authors for their investment of time, effort, expertise, and knowledge. We do value every single input and we believe that all the delivered knowledge is equally important. Second, we would like to show appreciation to all the reviewers. They have significantly contributed to the improvement of the book by adding quality and coherence.
