Acknowledgment

We would like to acknowledge the support of our many industry sponsors including City of Columbus, IBM, Nationwide, Ohio Health, OSU Medical Center, McGraw Hill, Motorola, and many others. In addition we would like to thank the various project managers and graduate students, many of whom provided insights or written materials as part of class projects that are incorporated here. In particular we would like to name Joe Bolinger, Krista Dombroviak, Randally Glassgow, Brett Gerke, Vasudha Gupta, Greg Horvath, Farha Mukri, and Kelly Yackovic. The authors would also like to acknowledge the IBM Faculty Grant and the NSF IUCRC grant #0753710 which was fundamentally instrumental in enabling the collaboration with industry and conducting the projects needed to write this book. Finally we would like to thank our families for their support.
