Table of Contents

Preface ................................................................................................................................................ xvi

Acknowledgment .............................................................................................................................. xxv

Chapter 1
Population Health Management and Cervical Cancer Screening Programs: Roadmap, Design, and Implementation of a Supporting IT System ............................................................................................................. 1
   Anastasius Moumtzoglou, Hellenic Society for Quality and Safety in Healthcare, Greece & P. & A. Kyriakou Children's Hospital, Greece
   Abraham Pouliakis, National and Kapodistrian University of Athens, Greece

Chapter 2
Healthcare Computer Reasoning Addressing Chronically Ill Societies Using IoT: Deep Learning AI to the Rescue of Home-Based Healthcare .............................................................................................................. 32
   David Mendes, DECSIS, Portugal
   Manuel Lopes, Universidade de Évora, Portugal
   Artur Romão, DECSIS, Portugal
   Irene Pimenta Rodrigues, Universidade de Évora, Portugal

Chapter 3
E-Health: Modern Communication Technology Platforms for Accessing Health Information .......... 49
   Wayne Usher, Griffith University, Australia

Chapter 4
Intelligent Medication Adherence Monitoring System ........................................................................ 72
   Athanasios Anastasiou, National Technical University of Athens, Greece
   Kostas Giokas, National Technical University of Athens, Greece
   Georgia Koutsouri, National Technical University of Athens, Greece
   Dimitra Iliopoulou, National Technical University of Athens, Greece

Chapter 5
   Vassilia Costarides, National Technical University of Athens, Greece
   Apollon Zygomalas, University of Patras, Greece
   Kostas Giokas, National Technical University of Athens, Greece
   Dimitris Koutsouris, National Technical University of Athens, Greece
Chapter 6
Ob/Gyn EMR Software: A Solution for Obstetricians and Gynecologists

Konstantinos Bougoulias, National Technical University of Athens, Greece
Ioannis Kouris, National Technical University of Athens, Greece
Marios Prasinos, National Technical University of Athens, Greece
Kostas Giokas, National Technical University of Athens, Greece
Dimitris Koutsouris, National Technical University of Athens, Greece

Chapter 7
Early Detection of Electroencephalogram Temporal Events in Alzheimer’s Disease

Pedro Miguel Rodrigues, University of Porto, Portugal
Diamantino Freitas, University of Porto, Portugal
João Paulo Teixeira, Polytechnic Institute of Bragança, Portugal
Dílio Alves, Hospital de São João – Porto, Portugal
Carolina Garrett, Hospital de São João – Porto, Portugal

Chapter 8
Automatic Determination of Pauses in Speech for Classification of Stuttering Disorder

João Paulo Teixeira, Polytechnic Institute of Bragança, Portugal
Maria Goreti Fernandes, Polytechnic Institute of Bragança, Portugal
Rita Alexandra Costa, Polytechnic Institute of Bragança, Portugal

Chapter 9
Surface Segmentation: The Case of Bronchus Anatomical Structure

S. Zimeras, University of the Aegean, Greece

Chapter 10
Migrating from ISO/IEC 9126 to SQUARE: A Case Study on the Evaluation of Medical Speech Translation Systems

Paula Estrella, Universidad Nacional de Córdoba, Argentina
Nikos Tsourakis, University of Geneva, Switzerland

Chapter 11
Digital Medicine: The Quality Standpoint

Anastasius Moumtzoglou, Hellenic Society for Quality and Safety in Healthcare, Greece
Chapter 12
ICT for Enabling the Quality Evaluation of Health Care Services: A Case Study in a General Hospital.......................... 196
Alexandra Pomares-Quimbaya, Pontificia Universidad Javeriana, Colombia
Rafael A. González, Pontificia Universidad Javeriana, Colombia
Alejandro Sierra, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia
Julián Camilo Daza, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia
Oscar Muñoz, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia
Angel García, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia
Alvaro Bustamante, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia
Olga Milena García, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia
Wilson Ricardo Bohórquez, Pontificia Universidad Javeriana, Colombia & Hospital Universitario San Ignacio, Colombia

Chapter 13
Informed Consent in Healthcare: A Study Case of Genetic Services.......................................................... 211
Bo Yu, George Mason University, USA
Duminda Wijesekera, George Mason University, USA
Paulo Costa, George Mason University, USA

Chapter 14
Improving Quality Improvement Collaboratives: Mixing Communication Media to Attain Multiple Measures of Success ........................................................................................................ 243
Priscilla A. Arling, Butler University, USA
Edward J. Miech, Regenstrief Institute, USA
Greg W. Arling, Purdue University School of Nursing, USA

Chapter 15
We Can Trust without Data, But We Are Accountable Only through Measurement .......................................................... 255
Vahé A. Kazandjian, The Johns Hopkins University, USA

Chapter 16
How to Make Your Work Really Influence Future Healthcare: From Projects through Policies to Integration into Health Systems ........................................................................................................ 271
Aleš Bourek, Masaryk University Center for Healthcare Quality, Czech Republic

Compilation of References .......................................................................................................................... 297

About the Contributors .......................................................................................................................... 343
