Acknowledgment

First and foremost, thank you to Leigh Hersey for approaching me to be a part of this book project and for keeping it on track. The authors of chapters for sharing their research and for the many reviewers who gave their time to provided feedback.

I would like to thank Dr. Richard Ranta, Professor Moira Logan in the College of Communication and Fine Arts, Professor Richard Lou and my colleagues the Department of Art at University of Memphis.

And to my father Bruce Bobick and my family, thank you for the enduring love, support and kind words during this book project.
