Foreword .......................................................................................................................... xviii
Preface ............................................................................................................................ xxii
Acknowledgment ........................................................................................................... xxviii

Section 1
Practice

Chapter 1
Empowering High-Needs Students With Problem-Based Learning Through Mobile Technology .......................................................... 1

*Jessica Herring, Benton Public Schools, USA*

Chapter 2
Improving Access to Higher Education With UDL and Switch Access Technology: A Case Study .......................................................... 13

*Luis Perez, Eye on Access, USA*
*Ann Gulley, Auburn University at Montgomery, USA*
*Logan Prickett, Auburn University at Montgomery, USA*

Chapter 3
Enabling Literacy and Empowering Learners: Using Digital Portfolios to Support Struggling Readers ........................................... 31

*Amy Thompson, University of Central Arkansas, USA*
*Donna Wake, University of Central Arkansas, USA*

Chapter 4
Mobile Makerspace Carts: A Practical Model to Transcend Access and Space ........................................................................... 58

*Shaunna Smith, Texas State University, USA*
Chapter 5
Making Agricultural Learning Accessible: Examining Gender in the Use of Animations via Mobile Phones
Julia Bello, University of Illinois at Urbana-Champaign, USA
Anne Namatsi Lutomia, University of Illinois at Urbana-Champaign, USA
Eric Abbott, Iowa State University, USA
Robert Mazur, Iowa State University, USA
Sostino Mucumbe, Iowa State University, USA
Barry R. Pittendrigh, Michigan State University, USA

Chapter 6
Toys or Tools? Educators’ Use of Tablet Applications to Empower Young Students Through Open-Ended Literacy Learning
Monica McGlynn-Stewart, George Brown College, Canada
Tiffany MacKay, Peel District School Board, Canada
Brooke Gouweleeuw, George Brown College, Canada
Lisa Hobman, George Brown College, Canada
Nicola Maguire, George Brown College, Canada
Emma Mogyorodi, George Brown College, Canada
Vicki Ni, George Brown College, Canada

Section 2
Curriculum and Resources

Chapter 7
Logistical Issues With OER Initiative in a K-12 Environment
Alesha Baker, Oklahoma State University, USA
Tutaleni Asino, Oklahoma State University, USA
Ying Xiu, Oklahoma State University, USA
Jose L. Fulgencio, Oklahoma State University, USA

Chapter 8
Mobile Apps in Open Educational Resources
Ying Xiu, Oklahoma State University, USA
Jose L. Fulgencio, Oklahoma State University, USA
Tutaleni I. Asino, Oklahoma State University, USA
Alesha D. Baker, Oklahoma State University, USA
Chapter 9
Mobile Open-Access Revolutionizing Learning Among University Students in Kenya: The Role of the Smartphone ................................................................. 171
  Margaret W. Njeru, Riara University, Kenya

Section 3
Assessment

Chapter 10
Engaging and Empowering Dual Enrollment Students: A Principles of Economics Course Example .......................................................................................... 194
  Grace O. Onodipe, Georgia Gwinnett College, USA

Chapter 11
Ensuring Ethics and Equity With Classroom Assessments and Mobile Technology: Advancing Online Education ................................................................. 220
  Nancy P. Gallavan, University of Central Arkansas, USA
  Stephanie Huffman, University of Central Arkansas, USA
  Erin C. Shaw, University of Memphis, USA & University of Central Arkansas, USA

Chapter 12
Socrative: Using Mobile Devices to Promote Language Learning .................. 242
  Sandra Vieira Vasconcelos, Polytechnic Institute of Viana do Castelo, Portugal
  Ana Balula, University of Aveiro, Portugal

Chapter 13
“With Tension Comes a Little Work”: Motivation and Safety in Online Peer Review ............................................................................................................ 265
  Jacquelyn Chappel, University of Hawaii at Manoa, USA & Kapiolani Community College, USA

Section 4
Theory

Chapter 14
Teaching Exceptional Children With Mobile Technologies in a General Education Classroom ................................................................. 290
  Jason Trumble, University of Central Arkansas, USA
  Yara N. Farah, College of William and Mary, USA
  David A. Slykhuis, James Madison University, USA
Chapter 15
Fusing Culturally Responsive Teaching, Place Conscious Education, and Problem-Based Learning With Mobile Technologies: Sparking Change...........315
  Nykela H. Jackson, University of Central Arkansas, USA
