Table of Contents

Foreword ........................................................................................................................................... xvii
Preface ................................................................................................................................................ xix
Acknowledgment .............................................................................................................................. xxix

Section I
Collaboration in E-Learning Development

Chapter I
Developing E-Learning in Geography .......................................................................................... 1
  Philip Rees, University of Leeds, UK
  Louise Mackay, University of Leeds, UK
  David Martin, University of Southampton, UK
  Gráinne Conole, The Open University, UK
  Hugh Davis, University of Southampton, UK

Chapter II
Exchanging E-Learning Materials, Modules, and Students .................................................. 20
  Samuel Leung, University of Southampton, UK
  David Martin, University of Southampton, UK
  Richard Treves, University of Southampton, UK
  Oliver Duke-Williams, University of Leeds, UK

Chapter III
Collaborative Learning Activity Design: Learning about the Global Positioning System .......... 38
  Helen Durham, University of Leeds, UK
  Katherine Arrell, University of Leeds, UK
  David DiBiase, The Pennsylvania State University, USA
Chapter IV
Census and Population Analysis ................................................................. 53
  David Martin, University of Southampton, UK
  Philip Rees, University of Leeds, UK
  Helen Durham, University of Leeds, UK
  Stephen A. Matthews, The Pennsylvania State University, USA

Chapter V
Using Digital Libraries to Support Undergraduate Learning in Geomorphology ........... 76
  Stephen Darby, University of Southampton, UK
  Sally J. Priest, Middlesex University, UK
  Karen Fill, KataliSys Ltd, UK
  Samuel Leung, University of Southampton, UK

Chapter VI
Engaging with Environmental Management: The Use of E-Learning for Motivation and Skills
Enhancement ............................................................................................ 100
  Jim Wright, University of Southampton, UK
  Michael J. Clark, University of Southampton, UK
  Sally J. Priest, Middlesex University, UK
  Rizwan Nawaz, University of Leeds, UK

Chapter VII
Earth Observation: Conveying the Principles to Physical Geography Students ............... 116
  Louise Mackay, University of Leeds, UK
  Samuel Leung, University of Southampton, UK
  E. J. Milton, University of Southampton, UK

Chapter VIII
Generic Learning Materials: Developing Academic Integrity in Your Students .................. 139
  Helen Durham, University of Leeds, UK
  Samuel Leung, University of Southampton, UK
  David DiBiase, The Pennsylvania State University, USA
Section III
Software Support for Learning Materials

Chapter IX
A Toolkit to Guide the Design of Effective Learning Activities ........................................ 156
Karen Fill, KataliSys Ltd, UK
Gráinne Conole, The Open University, UK
Chris Bailey, University of Bristol, UK

Chapter X
Concept Mapping to Design, Organize, and Explore Digital Learning Objects ..................... 170
David DiBiase, The Pennsylvania State University, USA
Mark Gahegan, The University of Auckland, New Zealand

Chapter XI
Semantic Tools to Support the Construction and Use of Concept-Based Learning Spaces .......... 185
Terence R. Smith, University of California at Santa Barbara, USA
Marcia Lei Zeng, Kent State University, USA

Chapter XII
Simple Geography-Related Multimedia ...................................................................................... 204
Richard Treves, University of Southampton, UK
David Martin, University of Southampton, UK

Chapter XIII
Evaluating the Geography E-Learning Materials and Activities: Student and Staff Perspectives ................................................................................................................................. 222
Karen Fill, KataliSys Ltd, UK
Louise Mackay, University of Leeds, UK

Chapter XIV
Reflections, Lessons Learnt, and Conclusions .............................................................................. 236
Louise Mackay, University of Leeds, UK
David Martin, University of Southampton, UK
Philip Rees, University of Leeds, UK
Helen Durham, University of Leeds, UK
Section IV
Additional Selected Readings

Chapter XV
Online Learning Activities in Second Year Environmental Geography ................................................. 245
  Sally Priest, University of Southampton, UK
  Karen Fill, University of Southampton, UK

Chapter XVI
Learning Geography with the G-Portal Digital Library .............................................................................. 260
  Dion Hoe-Lian Goh, Nanyang Technological University, Singapore
  Yin-Leng Theng, Nanyang Technological University, Singapore
  Jun Zhang, Nanyang Technological University, Singapore
  Chew Hung Chang, Nanyang Technological University, Singapore
  Kalyani Chatterjea, Nanyang Technological University, Singapore

Chapter XVII
Collaborative Geographic Information Systems: Origins, Boundaries, and Structures ...................... 270
  Shivanand Balram, Simon Fraser University, Canada
  Suzana Dragićević, Simon Fraser University, Canada

Glossary of Terms ........................................................................................................................................ 288

Compilation of References ......................................................................................................................... 297

About the Contributors ................................................................................................................................. 318

Index ............................................................................................................................................................ 324
