The editor would like to acknowledge the help of all involved in the collation and review process of the book, without whose support the project could not have been successfully completed. Most of the authors of chapters included in this book also served as referees for articles written by other authors. Reviewers who provided the most comprehensive, critical, and constructive comments include: Sarah Parkinson of Guelph University, Rosanna Tarsiero of the University of Pisa, Timlynn Babitsky and James Salmons of Sohodojo, Soren Gigler of the London School of Economics and Political Science, and Surmaya Talyarkhan of ITDG. Special thanks go to SDNP Bangladesh colleagues for their continuous assistance and support in all forms.

In addition, this book would not have been possible without the ongoing professional support from Mehdi Khosrow-Pour, Jan Travers, and Kristin Roth at Idea Group Inc. Finally, I want to thank my wife, Shamima, and daughter, Sausan, for their love and support throughout this project.
