Acknowledgment

The editors and authors are working members of The Promotion Center for Telematics Consortium (PCTC), which is part of the Information and Communication Human Resource Program, Ministry of Education (MOE), Taiwan, R.O.C. Thanks for the program of MOE such that the editors and authors can be grouped together. Many thanks to all authors for their hard work and cooperation for delivering their chapters. We also would like to thank Joel A. Gamon of IGI Global for his help and encouragement during this period.
