Table of Contents

Preface ..................................................................................................................................................xiii

Chapter 1
Beginnings of the History and Philosophy of Andragogy, 1833-2000 ................................................ 1
John A. Henschke, Lindenwood University, USA

Chapter 2
Learner-Centered Teaching and the Use of Technology................................................................. 31
Annette Greer, East Carolina University, USA
Vivian W. Mott, East Carolina University, USA

Chapter 3
Effective Teaching with Technology in Adult Education .............................................................. 48
Victor C. X. Wang, California State University at Long Beach, USA

Chapter 4
From Pedagogy to Andragogy: Transitioning Teaching and Learning in the Information Technology Classroom ................................................................. 63
Steven W. Schmidt, East Carolina University, USA
Jeremy Dickerson, East Carolina University, USA
Eric Kisling, East Carolina University, USA

Chapter 5
Adult Learners and Their Development in the Information Society ........................................ 82
Lesley Farmer, California State University at Long Beach, USA

Chapter 6
Teaching Adult Learners in Online Career and Technical Education ..................................... 101
Victor M. Hernández-Gantes, University of South Florida, USA
Chapter 7
Information Technology and the Learning Society: Supporting Lifelong Learning and Flexicurity Policies

Teresa Torres-Coronas, Universitat Rovira i Virgili, Spain
Mario Arias-Oliva, Universitat Rovira i Virgili, Spain
M. Arántzazu Vidal-Blasco, Universitat Rovira i Virgili, Spain

Chapter 8
Adult Learning Principles as the Foundation for Innovative Technology Applications in Business and Higher Education Venues

Judith Parker, Teachers College/Columbia University, USA

Chapter 9
The Role of Learning Styles and Technology

Royce Ann Collins, Kansas State University, USA

Chapter 10
Innovative Instructional Strategies with the Use of Technology for Adult Learners

Lesley Farmer, California State University at Long Beach, USA

Chapter 11
Integrating Adult Learning and Technology for Effective Education: Strategic Approaches

Royce Ann Collins, Kansas State University, USA
James B. Martin, U.S. Army Command and General Staff College, USA

Chapter 12
Prevalent Andragogical Instructional Preferences and Technologies

George Maughan, Indiana State University, USA
Davison Mupinga, Kent State University, USA

Chapter 13
Ultraversity-Integrating Technology in Adult Education

Geraint Lang, Anglia Ruskin University, UK

Chapter 14
Comparing the Principles of Adult Learning with Traditional Pedagogical Teaching in Relation to the Use of Technology: The Tacit Dimension in ICT-Based University Teaching

Manuel Ahedo, Rovira i Virgili University, Spain
