Acknowledgment

The following acknowledgement applies to all of the chapters of this book except Chapter 3.

This research was sponsored by the U.S. Army Research Laboratory and the U.K. Ministry of Defence and was accomplished under Agreement Number W911NF-06-3-0001. The views and conclusions contained in this document are those of the author(s) and should not be interpreted as representing the official policies, either expressed or implied, of the U.S. Army Research Laboratory, the U.S. Government, the U.K. Ministry of Defence or the U.K. Government. The U.S. and U.K. Governments are authorized to reproduce and distribute reprints for Government purposes notwithstanding any copyright notation hereon.

Additionally: The editor would further like to acknowledge the Agreement Number W911NF-06-3-0001 for the overall content of the book, and for facilitating the exchange of information among different researchers that were enabled due to the program. Neither the idea of the book, nor its contents would have been feasible without the existence of the U.S. UK International Technology Alliance in Network and Information Sciences, which was established under the above agreement number.
