Acknowledgment

This book has been an interesting, emotional, and intellectual journey for both of us. Many people helped during the process of writing and editing this book; it is impossible to keep track of them all. To all that we have forgotten to list, please don’t hold it against us! First and foremost, we need to thank Dr. Maurice Benson, the chair of Computer Science at Lakehead University, for his kind encouragement and support. We would also like to thank IGI Global for their forms of assistance. The editors extend a special thanks to many external reviewers whose thoughtful comments improved this book and whose enthusiasm for the book was very welcome. The list of external reviewers includes: Dr. Dominic Covvey (Director of Waterloo Institute for Health Informatics Research, University of Waterloo, Canada), Dr. Charles Jaffe (CEO of Health Level Seven (HL7), USA), Dr. Kim Solez (Director of Experimental Pathology as well as Director of NKF cyberNephrology, University of Alberta, Canada), Dr. Neil Coulson (Institute of Work Health & Organisations, University of Nottingham, UK), Dr. Soraya Kouadri Mostéfaoui (Open University, UK), Dr. Nilmini Wickramasinghe (Director Center for the Management of Medical Technology, Illinois Institute of Technology, USA), Raymond Leduc (University of Western Ontario, Canada), Dr. Wane Menary (Director of Geopac Inc., UK), Dr. Elske Ammenwerth (Director of the Institute for Health Information Systems, University for Health Sciences, Austria), Mohammad Ikram (Muhammad Ikram, Information Communication & Security Lab - Ajou University, Rep. of Korea), Dr. Vivian Vimarlund (Dept. of Computer and Information Science, Linköping University, Sweden), Dr. Ritu Tiwari (Dept. of Info. & Comm.
