Acknowledgment

Numerous individuals have contributed invaluable help and support in making this book happen. This book could not have been completed without the assistance of the book chapter’s authors, who spent countless hours experimenting, and editing their manuscripts to be presented in this book. The Editors acknowledge the contributions of the authors presented their research materials in this book. The Editors also gratefully acknowledge the helpful comments and suggestions of the reviewers, which have improved the presented book chapters. Thanks extended to the editorial team at IGI Global who provided valuable support and encouragement, and also for their expert work in producing the final book.
