Acknowledgment

To ensure quality of books, editors/authors have their books go through the double blind review process so that their books will become refereed books in the field. This book is no exception. All entries are written by knowledgeable, distinguished scholars from many prominent research institutions. The reviewers were invited based on their sustained scholarship in this field. Therefore, I extend a huge thank you to the following reviewers/authors:

- Ernest W. Brewer, University of Tennessee, Knoxville, USA
- Lesley Farmer, California State University, Long Beach, USA
- Janice Frates, California State University, Long Beach, USA
- Kerry Lee, University of Auckland, New Zealand
- James B. Martin, U.S. Army Command and General Staff College, USA
- Gregory Petty, University of Tennessee, Knoxville, USA
- Leane B. Skinner, Auburn University, USA
- James E. Witte, Auburn University, USA
- Maria M. Witte, Auburn University, USA
- Chris Zirkle, Ohio State University, USA

I thank my fellow authors, IGI Global, and Zhejiang University Press, especially Dr. Mary Wu for their contribution to this book. This book is designed for the teacher-practitioner and is written from both a scholar’s and a practitioner’s perspective. Because of the rich information provided by this book, individual chapters can be selected according to readers’ specific needs and interests. Thanks also go to my family, Katie Wang, Anni Wang and Anthony Wang for their continued support and encouragement during the many months it took to give birth to this book. Last but not least, I thank all of our readers who have become consumers of this excellent book. This book will assist you in your educational and scholarly endeavors.
