Preface................................................................................................................................................xvii

Acknowledgment..................................................................................................................................xxii

Section 1
Understanding Collaborative Reasoning

Chapter 1
An Argumentation Model of Deliberative Decision-Making ................................................................. 1
   Douglas Walton, University of Windsor, Canada

Chapter 2
Intersubjective Reasoning and the Formation of Metaconsensus.......................................................... 18
   Simon Niemeyer, The Australian National University, Australia

Chapter 3
Communication and Group Performance: Comparing CMC with FTF Decision-Making Groups in Taiwan........................................................................................................................................... 38
   Shu-Chu Sarrina Li, National Chiao Tung University, Taiwan
   Lin-Mei Huang, Shih Hsin University, Taiwan
   Yi-Ching Liu, National Chiao Tung University, Taiwan

Chapter 4
Information Sharing and Processing in Computer-Mediated Interactions............................................ 58
   Jamonn Campbell, Shippensburg University, USA

Chapter 5
Communities of Practice in Knowledge Management and Organisational Learning............................. 76
   Celina M. Olszak, University of Economics in Katowice, Poland
   Ewa Ziemba, University of Economics in Katowice, Poland
Chapter 6
A Reasoning Community Perspective on Deliberative Democracy ......................................................... 94
  John Yearwood, University of Ballarat, Australia
  Andrew Stranieri, University of Ballarat, Australia

Section 2
Enhancing Collaborative Reasoning

Chapter 7
Group Decision Making: How to Obtain Representative Group Judgments from Individual Judgments .............................................................................................................. 114
  Thomas Saaty, University of Pittsburgh, USA

Chapter 8
Distributed Collaborations and the Effect of Sociometric Feedback .......................................................... 135
  Taemie Kim, MIT Media Lab, USA
  Alex (Sandy) Pentland, MIT Media Lab, USA

Chapter 9
Methods of Group Decisions and Aggregation of Experts’ Opinions ......................................................... 151
  Jiří Vaníček, Czech University of Life Sciences in Prague, Czech Republic
  Ivan Vrana, Czech University of Life Sciences in Prague, Czech Republic
  Shady Aly, Czech University of Life Sciences in Prague, Czech Republic

Chapter 10
  Marco Castellani, University of Brescia, Italy

Chapter 11
Group Decision Making for Advanced Manufacturing Technology Selection Using the Choquet Integral ........................................................................................................................................... 193
  Cengiz Kahraman, Istanbul Technical University, Turkey
  Selçuk Çebi, Karadeniz Technical University, Turkey
  İhsan Kaya, Selçuk University, Turkey

Chapter 12
Indexing as an Ontological Support for Legal Reasoning ........................................................................ 213
  Erich Schweighofer, University of Vienna, Austria
Chapter 13
A Case for the Re-Use of Community Reasoning ................................................................. 237
Andrew Stranieri, University of Ballarat, Australia
John Yearwood, University of Ballarat, Australia

Section 3
Collaborative Reasoning in the Real World

Chapter 14
Collaborative Transportation Sharing: From Theory to Practice via a Case Study from France ...... 252
Jesus Gonzalez-Feliu, Université Lumière Lyon 2, France
Joëlle Morana, Université Lumière Lyon 2, France

Chapter 15
Spatial Ontologies in Multi-Agent Environmental Planning..................................................... 272
Dino Borri, Polytechnic University of Bari, Italy
Domenico Camarda, Polytechnic University of Bari, Italy

Chapter 16
Chewing the Communal Cud: Community Deliberation in Broadsheet Letters and Political Blogs ......................................................................................................................... 296
Jane Mummery, University of Ballarat, Australia
Debbie Rodan, Edith Cowan University, Australia

Chapter 17
Decision Support in Interest Based Negotiation Support Systems: The AssetDivider System......... 319
Emilia Bellucci, Victoria University, Australia
John Zeleznikow, Victoria University, Australia

Chapter 18
Supporting Communities of Practice by Advancing Knowledge Management between Hybrid Collaborative Environments .................................................................................................. 340
Anna De Liddo, Open University, UK
Grazia Concilio, Politecnico di Milano, Italy

Section 4
Collaborative Reasoning in the Virtual World

Chapter 19
Negotiating Meaning in a Blog-Based Community: Addressing Unique, Shared, and Community Problems ......................................................................................................................... 358
Vanessa P. Dennen, Florida State University, USA
Chapter 20
Establishing Reasoning Communities of Security Experts for Internet Commerce Security .......... 380

Andrei V. Kelarev, University of Ballarat, Australia
Simon Brown, University of Ballarat, Australia
Paul Watters, University of Ballarat, Australia
Xin-Wen Wu, University of Ballarat, Australia
Richard Dazeley, University of Ballarat, Australia

Chapter 21
Web Technologies and Reasoning Communities................................................................................. 397

Charlynn Miller, University of Ballarat Australia
Philip Smith, University of Ballarat Australia

Compilation of References ................................................................................................................... 412

About the Contributors......................................................................................................................... 459
