## Section I  
Online Resources for Language Learning

### Chapter I  
Australasian Language Learners and Italian Web Sites: A Profitable Learning Partnership? .......... 1  
*Gabriella Brussino, University of Auckland, New Zealand*  
*Cathy Gunn, University of Auckland, New Zealand*

### Chapter II  
Assessing the Benefit of Prewriting Conferences on Drafts.................................................. 20  
*Michael Fitze, Dubai Women’s College, UAE*

### Chapter III  
Blogging and Academic Writing Development ..................................................................... 36  
*Joel Bloch, The Ohio State University, USA*  
*Cathryn Crosby, West Chester University, USA*

### Chapter IV  
Second Language Reading in Hypertext Environments ....................................................... 48  
*Robert Ariew, University of Arizona, USA*  
*Gülcan Erçetin, Bogaziçi University, Turkey*  
*Susan Cooledge, University of Maryland Eastern Shore, USA*

### Chapter V  
Application of Online Questionnaires in Grammar Teaching ................................................ 64  
*Leo Kam-hung Yu, Hong Kong Baptist University, Hong Kong*
Chapter VI
ICT and Language Learning at Secondary School ................................................................. 84
  Diane Huot, Université Laval, Québec, Canada
  France H. Lemonnier, Université Laval, Québec, Canada
  Josiane Hamers, Université Laval, Québec, Canada

Chapter VII
Computer-Enhanced Grammar Teaching............................................................................. 101
  David Barr, University of Ulster, Northern Ireland

Section II
Multimedia and Speech Technology in Language Learning

Chapter VIII
Research-Based Listening Tasks for Video Comprehension................................................. 116
  Luba V. Iskold, Muhlenberg College, USA

Chapter IX
Invested Mental Effort in an Aural Multimedia Environment.............................................. 136
  Linda Jones, University of Arkansas, USA

Chapter X
A Computer-Based Reading Tutor for Young Language Learners........................................ 159
  Kenneth Reeder, The University of British Columbia, Canada
  Jon Shapiro, The University of British Columbia, Canada
  Margaret Early, The University of British Columbia, Canada
  Maureen Kendrick, The University of British Columbia, Canada

Chapter XI
Supporting the Reflective Language Learner with Computer Keystroke Logging.................. 189
  Eva Lindgren, Umeå University, Sweden
  Marie Stevenson, The University of Sydney, Australia
  Kirk P. H. Sullivan, Umeå University, Sweden

Chapter XII
Grammar Animations and Cognition................................................................................... 205
  Jörg Roche, Ludwig-Maximilians-Universität München, Germany
  Julia Scheller, Ludwig-Maximilians-Universität München, Germany

Chapter XIII
Evaluation of a Speech Interactive CALL System ............................................................... 219
  Hazel Morton, University of Edinburgh, UK
  Nancie Davidson, University of Edinburgh, UK
  Mervyn Jack, University of Edinburgh, UK
Chapter XIV
Pedagogy Meets Technology in the Somatically-Enhanced Approach .......................... 240
Maliwan Buranapatana, Khon Kaen University, Thailand
Felicia Zhang, University of Canberra, Australia

Chapter XV
Training for Learning Mandarin Tones ........................................................................ 259
Xinchun Wang, California State University, USA

Chapter XVI
An Evaluation of a Listening Comprehension Program .................................................. 275
Nattaya Puakpong, Suranaree University of Technology, Thailand

Section III
CMC and Language Acquisition and Learning

Chapter XVII
CMC for Language Acquisition ..................................................................................... 295
Terence C. Ahern, West Virginia University, USA

Chapter XVIII
A Task-Based Design for Integrating E-Mail with FL Pedagogy .................................. 307
Shannon Johnston, The University of Queensland, Australia

Chapter XIX
The Role of Error Correction in Online Exchanges ....................................................... 326
Margarita Vinagre, Antonio de Nebrija University, Spain
Maria Lera, Antonio de Nebrija University, Spain

Chapter XX
Emerging Feedback in Two Asynchronous ESL Writing Forums ................................ 342
Stella K. Hadjistassou, Arizona State University, USA

Chapter XXI
CMC and Intercultural Learning ..................................................................................... 361
Martina Möllering, Macquarie University, Australia
Markus Ritter, Ruhr-Universität Bochum, Germany

Chapter XXII
Developing L2 Strategic Competence Online ................................................................. 377
Claudia Finkbeiner, University of Kassel, Germany
Markus Knierim, University of Kassel, Germany
Chapter XXIII
Interventions and Student Factors in Collaboration................................................................. 403
   Faridah Pawan, Indiana University, USA
   Senom T. Yalcin, Indiana University, USA
   Xiaojing Kou, Indiana University, USA

Section IV
The Use of Corpora in Language Acquisition and Learning

Chapter XXIV
Corpora in the Classroom and Beyond................................................................................... 422
   Rolf Kreyer, University of Bonn, Germany

Chapter XXV
Sharing Corpus Resources in Language Learning................................................................. 438
   Angela Chambers, University of Limerick, Ireland
   Martin Wynne, University of Oxford, UK

Chapter XXVI
The Texture of Inefficiently Self-Regulating ESL Systems.................................................. 453
   Terence Patrick Murphy, Yonsei University, Korea

Section V
Self-Access Support for Language Acquisition and Learning

Chapter XXVII
Technology in Support of Self-Access Pedagogy................................................................. 469
   Hayo Reinders, University of Hawaii, USA
   Noemí Lázaro, Universidad Nacional de Educación a Distancia (UNED), Spain

Chapter XXVIII
The CALL Lab as a Facilitator for Autonomous Learning................................................... 483
   Stephen Alan Shucart, Akita Prefectural University, Honjo Campus, Japan
   Tsutomu Mishina, Akita Prefectural University, Honjo Campus, Japan
   Mamoru Takahashi, Akita Prefectural University, Honjo Campus, Japan
   Tetsuya Enokizono, Akita Prefectural University, Honjo Campus, Japan
Section VI
Future Directions in Language Teaching

Chapter XXIX
Applying TTS Technology to Foreign Language Teaching ........................................ 497
Junichi Azuma, University of Marketing and Distribution Sciences, Japan

Chapter XXX
Using an Audio-Video Chat Program in Language Learning ................................... 507
Yuko Kinoshita, University of Canberra, Australia

Compilation of References ......................................................................................... 521

About the Contributors .............................................................................................. 568
